LEA & GALE are
 DOORS, ARCHITRAVE
 STRAIGHT and CIRCULAR
 As the buyer invariably
 JIG-SAWING, RE-SAWING
 Together with TENN
 And PLANING they execute
 With Hemlock, or Oak
 They cannot attempt to
 The various MOULDINGS
 But let it suffice when you
 Sell the very best articles
 They have lately imported
 And increased their prices
 Which our esteemed patrons
 And pass down their friends
 They will not be to Lee-w
 But will keep their heads
 To satisfy all who may give
 And a feeling of pleasure
 So all are invited to call and
 The CITY SASH FACTORY
 And decide for themselves-
 And to wisdom we've said
