

## Dairy Cattle at the Western Fair

Three Breeds Well Represented by Cattle From the Canadian National With a Few Additions

It may be mentioned in passing that the Underwood has been awarded the highest honors by 17 International Juries; that it has won all the typewriter speed contests of recent years; that the most expert typists use it. And there is nothing in the claim that these experts could do as well on another machine. Some who have tried it have used other makes for years, and now operate the Underwood as the only means of doing their skill full justice.

The Underwood has been operated at the rate of 14 strokes a second. While that may be considered the limit of an operator's speed, it does not represent the limit of the speed possibilities of the machine—they have not been determined. Such a machine comes close to perfection, United Typewriter Co., Limited, 135 Victoria St., Toronto

The great majority of the dairy cattle at the Canadian National (ario); hence, London drew the larger share of the Toronto exhibits. This was particularly true of the Holsteins in which there was a very strong showing. In Ayrshires, however, the withdrawal of the Nees herd made the showing decidedly weaker as there were no further additions to London—elsewhere in this issue—an overcrowded judging ring and no accommodation for spectators. Holsteins were judged by G. A. Brethorn, Norwood, Ayrshires by Jno. McKee, Norwich, and Jerseys by W. W. Ballantyn, Stratford.

### The Holsteins

WESTERN Ontario has many fine Holstein herds and the best were competing at London. In no class did Mr. Brethorn find his task a easy one. In several cases Toronto decisions were reversed. One case was notable where a Toronto winner went down to sixth place. In another case a championship animal was second in its class. In all cases, however, the judge was satisfying himself and was able to explain his placings on the basis of the type he considered ideal.

The matre milk class was won by Hilliker Bros., of Burgessville, on a big useful dairy animal with a great mid-quarters. Mr. Brethorn found something nearer his ideal in Rettle's white heifer, Francy Maid 2nd, illustrated in Farm and Dairy this week. This heifer was one of the attractions at Toronto. She has an almost perfect tudder, good length, straight lines, and with a little more age and development should make a great cow. This animal was senior and grand champion. The junior champion was Lady Veeman Abbecker 3rd, shown by Hulet, which the judge preferred to Haley's Toronto champion in the same class. Bonerges Hartog, Haley's aged bull, was a comparatively easy senior and grand champion in the male classes. Hulet was strong in two-year-olds getting both first and second place. In age in winning in a couple of close classes, but the junior championship, as at Toronto, went to Snyder's excellent Sir Francy Netherland Abbecker, a very promising calf.

Toronto exhibitors at London were as follows: M. H. Haley, Springfield; W. C. Prouse, Tillsonburg; Fred Rowe, Hilliker; A. S. Hulet, Norwich; Jas. Rettle, Norwich; E. E. Hamner, Norwich; and E. Snyder, Burgessville. New exhibitors were: Hilliker Bros., Burgessville, and J. D. Holby, H. C. C. County men. Awards in full are as follows:
