PREMIUMS! SECURE NEW SUBSCRIBERS TO THE FARMER'S ADVOCATE

Our Rings and Watch Premiums sent out last year have given such universal satisfaction that we have placed another large order with one of the leading Canadian ring manufacturers, and intend giving those who will secure us new subscribers the benefit of our close cash purchase. We guarantee the rings to be ten and fourteen karat gold, as represented. To ascertain the size of ring required, take a narrow piece of paper, draw it tightly around the finger, forward same to us, and we will guarantee a perfect fit. The Triumph Watch is an excellent timepiece. One of our staff has carried one for nearly two years, and is well pleased with it. We positively decline to give shoddy premiums, and ask as a favor those who segure any of our prizes to be kind enough to show them to their neighbors. We will sell any of these premiums at prices quoted. All articles will be sent by mail or express, charges prepaid, with the exception of Live Stock-For premiums to be sent to Manitoba, Northwest Territories and British Columbia, 50c. extra required to cover express charges.
