The annual meeting of the Nova Scotia Farmers' Association is to be held at Annapolis, on February 22nd, 23rd and 24th. The N. S. Fruit Growers' Association meets at Wolfville on February 20th.

February 20th.

Ayrshire breeders throughout America will be interested in the dispersion sale of Mr. D. Drummond's grand herd of up-to-date Ayrshires, at his farm, at Petite Cote, near Montreal, on February 16th. The annual meeting of the Canadian Ayrshire Breeders' Association is fixed for February 15, in Montreal, so that the two events may be covered by one trip. Mr. Drummond is entitled to a good sale, for no man has done more to raise the standard of Ayrshires in Canada, and it is safe to say his cattle will be found well up to the standard of the best of the breed, and that the sale will be honorably conducted. Catalogues will be sent on application.

Jas. A. Russell, Precious Corners, Ont., writes: "My herd is now in the best of condition, and the young stock all healthy and vigorous. The Yorkshire boars that I advertise fit for service are extra good ones. The younger Yorkshires are choice and I can supply pairs not akin. The Berkshire sows that I advertise safe in pig are the right bacon type and are bred to a first-class show boar. The following is a list of my winnings in the fall of 1893: Bowmanville exhibition—Berkshires—First for boar over one year, first for boar under twelve months, second for boar under six months, second for sow over one year, first for sow under six months; Yorkshires—Second for boar over one year, first for sow under six months; Yorkshires—First for boar over one year, first for sow over one year, first for sow under six months; Yorkshires—First for sow under six months; Yorkshires—First for sow under six months if six for sow (aged), first for sow of 1898, first for sow (aged), first for sow of 1898, diploma for best boar and two sows; Yorkshires—First for boar (aged), first for sow of 1898; Yorkshires—First for boar over one year, first for sow of 1898; Yorkshires—First for boar over one year, first for sow over one year, first
