as big as a real baby, and has the loveliest 10 golden curly hair, pearly teeth, beautiful dark eyes, rosy cheeks and movable head, arms and legs, so that you can put her in any position you wish. Her handsome dress has an elegantly tucked white yoke ornamented with diamond set gold buttons, and is trimmed with beautiful bows of satin ribbon edged with lace and very full fine white ruching, which is draped around the yoke in the latest style. A very large hat ornamented with gold buckles and trimmed with an immense white imitation Ostrich feather completes her costume. Dolly has also lovely undergarments, all trimmed with elegant lace, stockings and cute little slippers ornamented with silver buckles. The picture shown here is an exact photograph of Dolly herself, but of course the real dolly is much prettier than her picture, because we cannot show the lovely colors of her dress nor her beautiful eyes and hair in a photograph. We know when you see her you will say she is the most beautiful doll you have ever seen. Louise Nunn, Hamilton, Ont., writes: "I am sorry that I have not written before to acknowledge my beautiful Doll, but I like her so much that I cannot leave her to write a note and tell you how pleased I am. All my little friends think she is just lovely." Mrs. Pearson, Yorkville Ave., Toronto, writes: "My little girl is highly delighted with her beautiful Doll and I am very much pleased with the honest way you treated her. I can hardly get her to lay her dolly down, she likes it so much. Girls, remember this is the biggest, the most beautiful and the best dressed Doll ever advertised by any Company. There is not a thing cheap about it from its head to its feet. You could not buy it at any store for less than \$2.00 cash, and we want to give it to you absolutely free for selling only 8 Pictures. Could anything be easier? May Bruce, Hayesville, N.B., writes: "I sold all the Pictures in a few minutes. They went like wildfire. Everybody said they were the nicest Pictures ever sold for 25c." Miss Cooper, Oak River, Ont., writes: "I called on 5 people and in about 15 minutes every one was sold. I could have sold many more if I had had them. They went like hot cakes. Everyone said, 'Oh! what beautiful Pictures, how much are they?' and when I answered 25c. they said, 'Why, you are almost giving them away.'" Write us a Post Card to-day, and this beautiful Doll will be your very own in a few days. We don't want one cent of your money and we allow you to keep out money to pay your postage. ### GOSSIP.

Lakeside Farm is beautifully situated about eight miles from Holmfild, Man., on the right bank of the Pembina Valley, through which, from lake to lake, flows the Pembina River. The farm, which is situated partly in the valley and the remainder on the tableland, is an ideal one for stock-raising, being abundantly watered and sheltered from every wind that blows. Full advantage is taken of all these privileges by Mr. R. Maclellan, the proprietor, and his stock is well known as prizetakers at the Provincial and local shows. Red Colin, bred by the owner, by Sir Colin Campbell (imp.), out of Cleora of Lakeside, is a well developed fellow of deep blocky type, and a splendid handler. Bouncer is also a fine young fellow. He is the winner of first place as a one-year-old at Winnipeg last summer. He is got by Knight of Strathbogie 2nd, out of Lonebird, which was bred by Campbell, Kinellar, Kinaldie, Aberdeenshire, Scotland. Clementine C., by Sir Colin Campbell, out of Clementina 2nd, is a grand animal, of low-down, square, blocky type and true Scottish characteristics. Rosebud Maid is a two-year-old heifer of great development. She is one of the Winnipeg prizetakers. She is got by Sir Colin Campbell, and out of Glengarry Maid. Red Bird 3rd, heifer calf, by Sir Colin Campbell, out of Clementina 2nd of Lakeside, is a grand calf. Red Lassie 2nd, by Sir Colin Campbell, out of Bloom of Lakeside, is also a very promising animal. A bull calf sold this season to A. D. Macdonald, Napinka, is also an animal giving great promise. He is by Sir Colin Campbell, out of Maid of Lakeside. He is a deep, low-set, thick-fleshed fellow, with great quarters. A number of Mr. Maclellan's young animals gave a good account of themselves at Winnipeg this season.

### HASSARD'S IMPORTED CLYDESDALES.

Mr. T. H. Hassard, Millbrook, Ont., importer of Clydesdales, writes: "I have recently landed my third importation since April, five mares and two stallions, so have now on hand eight stallions and six mares, and am prepared to suit the requirements of the most careful of buyers." The Scottish Farmer, of recent date, has the following to say of Mr. Hassard's latest importation: "The horses are Hazelburn (11741) and Dunalister; the former was bred by Mr. Ferrier Pace, Ormiston Mains, and is by Royal Patriot, out of a Prince of Cathcart mare, whose dam was by Rosedale. He is a nice-colored, thick, good horse, with quality, size and style, and has fine action. His neighbor, Dunalister, is a year older, a three-year-old, and was bred by Mr. Guild, Aberlady Mains, his sire being the invincible Hiawatha, and his dam the first-prize Highland Society winner, Lady Gartly, by the Cawdor Cup winner, Royal Gartly. It would be difficult to find a horse descended from more noted prizewinners, and, being of splendid quality himself, he can be safely trusted to breed well. Of the fillies, Alexandria and Lady Maid are three-year-olds. They are exceptionally well-bred, the former being by Royal Alexander, out of Primrose Princess (11901), by Prince of Wales, and the latter by Nell Gow (10224), out of May Queen (14621), by Queensbury Prince, grandam by Gartscherrie. It will be seen that the former is full of Prince of Wales blood, and both are suitably mated, and are sure to prove highly-successful brood mares. The two-year-olds are also splendidly-bred. One of them, Gazette, is by the Macgregor horse, Lord Balgray, which stands close on 18 hands high. Her dam is by the noted-breeding Cumberland horse, Royal Champion; the other, Lady Richardson, is by the well-bred horse, Rate Payer, out of a mare by Lord Lethian, grandam by Glancer, and both are fit to hold their own in good company. We feel sure that Mr. Hassard will have as good luck with this consignment as he has had with the last."

Intending purchasers will do well to write Mr. Hassard, to Millbrook, Ont., for prices and particulars, or visit him and inspect his horses.

### THE VALUE OF CHARCOAL.

**Few People Know How Useful it is in Preserving Health and Beauty.**

Nearly everybody knows that charcoal is the safest and most efficient disinfectant and purifier in nature, but few realize its value when taken into the human system for the same cleansing purpose.

Charcoal is a remedy that the more you take of it the better; it is not a drug at all, but simply absorbs the gases and impurities always present in the stomach and intestines and carries them out of the system.

Charcoal sweetens the breath after smoking, drinking or after eating onions and other odorous vegetables.

Charcoal effectually clears and improves the complexion, it whitens the teeth and further acts as a natural and eminently safe cathartic.

It absorbs the injurious gases which collect in the stomach and bowels; it disinfects the mouth and throat from the poison of catarrh.

All druggists sell charcoal in one form or another, but probably the best charcoal and the most for the money is in Stuart's Absorbent Lozenges; they are composed of the finest powdered Willow charcoal, and other harmless antiseptics in tablet form, or, rather, in the form of large, pleasant-tasting lozenges, the charcoal being mixed with honey.

The daily use of these lozenges will soon tell in a much improved condition of the general health, better complexion, sweeter breath and purer blood, and the beauty of it is, that no possible harm can result from their continued use, but on the contrary, great benefit.

A Buffalo physician, in speaking of the benefits of charcoal, says: "I advise Stuart's Absorbent Lozenges to all patients suffering from gas in stomach and bowels, and to clear the complexion and purify the breath, mouth and throat; I also believe the liver is greatly benefited by the daily use of them; they cost but twenty-five cents a box at drug stores, and, although in some sense a patent preparation, yet I believe I get more and better charcoal in Stuart's Absorbent Lozenges than in any of the ordinary charcoal tablets."
