"WHAT WE WANT."

Winnipeg offers opportunities in many different departments of manufacture, having raw material available in its vicinity for the flour miller and cereal food manufacture, raw hides for the tanner and leather industry, clays for brick and pottery making, spruce and other wood suitable for pulp making, recent Government tests show unsurpassed facilities for the growing of sugar beets and manufacture of beet sugar. There is almost an unlimited supply of wool and flax for the spinner and exceptional openings for the manufacture of men's clothing and medium grade shoes; agricultural implements and machinery, now largely imported, can be manufactured profitably at Winnipeg. There is 90,000 horse-power in the vicinity, of which 15,000 horse-power is now developed, 40,000 additional horse-power is being developed.
