

pleasant work too. The sun shone brightly, and the yellow-brown corn was a pretty sight, while the birds sang overhead as if they rejoiced in the bountiful harvest.

Gleaning is spoken of in very early times in the Bible. God commanded the children of Israel not to reap every corner of their fields, but to leave some for the gleaners. And you remember the lovely story of Ruth, how she went gleaning, and how kind Boaz was to her, telling his men to let fall some handfuls on purpose for her, so that she had quite a supply to take home.

So that you see gleaning is a very old practice, and one that God Himself sanctioned for the good of the poor and needy.

Our Father.

A good woman, searching out the children of want one cold winter's day, tried to open a door in the third story

of a wretched house, when she heard a voice say, "Pull the string up high." She looked up and saw a string which, on being pulled, lifted a latch, and she opened the door upon two very poor children, quite alone.

"Do you take care of yourselves, little ones?" asked this good woman. "God takes care of us," said one of them.

"And what have you to eat?" "When Granny comes home she fetches us something. She says God has got enough. Granny calls us God's sparrows; and we say, 'Our Father' and 'give us daily bread,' every day. God is our Father."

Tears came in the good woman's eyes. She had a mistrusting spirit herself: but these two little children, called "God's sparrows," perched in that cold upper chamber, taught her a lesson of faith and trust she will never forget.

**In Diamonds Pre-eminent**

About 15,000 workmen are engaged in the cutting of Diamonds in Amsterdam. 85 per cent. of the Diamonds used throughout the world are cut in that "city built on piles." Of the remaining 15 per cent. the city of Antwerp cuts the greater portion.

For the cutting of the insignificant remainder New York and London divide the honors about equally. We select our stock personally from the master cutters in Amsterdam for prompt cash, for purchased thus they are invariably a cash commodity. Combined with our expert knowledge of this gem, can you conceive of more advantageous buying?

As we buy, we sell.
