THE PRESS CLIPPING

BUREAU

Reads every paper in Canada and clips therefrom all articles of a business or personal nature of interest to subscribers in this department.
Publishers can obtain from it practically the papers say about themselves on any subject in which they are interested. Business men learn of new openings for trade, politicians to sell goods, advertisements of people likely to become buyers, tenders wanted, stocks for sale or wanted, reports of new industries or stores, etc.
Terms—Five per hundred clippings, 40¢ per thousand, payable in advance; but a yearly contract will be found the most satisfactory.
We have also lists of firms in every branch of trade in the Dominion; the professions; club members; lawyers, etc., and we are prepared to address and mail circulars or letters to these in any form.
