A Fire Company insuring all classes of Farm Property at the Lowest Possible Cost to the Assured. FARMERS! Here are Six Reasons why it will pay you to insure your Property in

THE WAWANESA MUTUAL INSURANCE COMPANY

FIRST—Because it is owned and operated by the Farmers of the three Prairie Provinces for their mutual benefit and not to enrich stockholders of a company formed to accumulate wealth at the expense of the insurer.

SECOND—The cost of insurance is not only very low, but you are not required to pay your premiums in advance unless you prefer doing so, and no interest is charged where premium notes are taken. The agent's fee is all that is required to be paid in cash.

THIRD—The Company is thoroughly reliable, and its policies are better adapted to Farm Insurance than any others issued. The use of steam threshers permitted free of charge.

FOURTH—The cost of adjustment of loss claims are paid by the Company and not by the insured.

FIFTH—Insurance on Livestock covers them against loss by fire anywhere on the farm, and by lightning anywhere in Manitoba, Saskatchewan and Alberta.

SIXTH—That this is the Largest Farmers' Mutual Fire Insurance Company in Canada and must therefore be giving the best satisfaction.

The History of Canadian Wealth

By GUSTAVUS MYERS

Without exception it can be said that this is one of the most remarkable books ever published on any Canadian question. The author spent several years in Canada studying the records of the past and present. It shows how the natural resources of Canada have been exploited for more than a hundred years by a small number of men. He exposes the system by which the foundations were laid for the fortunes of many of the wealthy families in Canada. The story of the feudal system as it existed in the early days of Canadian history is set forth in all its baldness. The revolt against feudalism and the establishment of the rule of the fur traders and the landed oligarchy is described with fact and date and the names of the rulers. Mr. Myers proves beyond a doubt that many of our greatest Canadian fortunes were founded on graft and he names the families without fear or favor. The era of railway rule and the appropriation of our coal, timber and public lands is exhaustively dealt with. Any person who wants to know the secret of why there are multi-millionaires in Canada and also paupers will understand it pretty clearly after reading the "History of Canadian Wealth." The book contains 337 pages, and is attractively bound in blue cloth covers.
