### LOCAL AFFAIRS.

—Thanksgiving day will be on Thursday, Nov. 21st.

—The tinsmiths are kept hustling these days erecting stoves, since the advent of cold weather.

—Lost—a painting on silk on show day. Finder will confer a favor by leaving same with the secretary.

—We want five hundred dollars by the first of January, and to secure this amount, we have decided to give the GAZETTE from now until Dec. 31st, 1896, for the small sum of \$1 to new subscribers. Now is the time to subscribe.

—At the Toronto Exhibition Herrigott & Co's famous Lion Threshers, carried-off first honors. The same thing occurred anywhere an opposition firm showed against them. This is one of Mildmay's most promising industries.

—The executors of the late Robert Graham will offer for sale by public auction at 2 o'clock p.m. on Friday, Oct. 18th, 1895, at the Railway Hotel, the northeast 20 acres of lot 31, con C, Carrick. For terms and particulars see bills.

—Any person purchasing \$1 worth of goods for cash has a chance of winning a beautiful silver tea service, valued at \$13. Second prize, portrait and frame, worth \$3.50. These articles are now on exhibition at our store. Herringer & Scheffer.

—Notice—My Mildmay friends who are still owing me will kindly prepare to pay the same not later than the 15th of October. You can pay at the store of Messrs. A. J. Sargeant & Co. I hope that my friends will now bear in mind that I shall require the money. A. Moyer.

—If you have a brother or a sister or relatives at a distance who used to live in this town and vicinity, why not make them a present of the GAZETTE. They will like it better than any letter you can send. For one dollar, cash, to new subscribers we will send the above paper until the 1st of January, 1897. Just think of it, 15 months for \$1.

—The Board of Management of the Mildmay Public Library met on Monday night last to consider the advisability of establishing a reading room in connection with the library and after some discussion over the matter decided to have the room over Curle's hardware store fitted up for the purposes of a reading room. Of the \$88.50 received from the Ontario Government \$50 will be spent in adding more books to the library and \$25 to furnish the library with magazines and newspapers. Now is the time for the young men to join the library association so as to have a comfortable place to spend the winter evenings.

—J. H. Moore has resumed his duties at the station after a week's vacation.

—There are quite a number of our People taking in the excursion to Michigan this week.

—\$20,000 private funds to loan at low rate of interest. Apply to S. H. McKay, Barrister, Griffith's block, Walkerton. If

—Messrs. Walter and James Scott are advertising their farm stock, etc. for sale at lot 24, con. 8. by auction on Tuesday, Oct. 15th.

—Aaron Moyer who conducted business at the corner store and sold out to Messrs Sargeant & Co. has started a business in Walkerton.

—Carrick Council met in the town hall, Mildmay, on Monday, when considerable business was attended to. Minutes appear in another column.

—We received a prize list and complimentary badge from the Directors of the Clifford Fall Show, which will be held on Wednesday and Thursday next.

—Monday we were treated to a reminder that winter is coming on apace. Rain, snow and sleet was the order of the day, with short periods of sunshine sandwiched in between.

—Daily some of our nimrods may be seen shouldering their guns and journeying to the bush in search of partridge, rabbits, etc., and generally return laden with spoil. Carrick township abounds with game.

—Some time Monday night sneak thieves tried to force a way into the residence of Jacob Larroch on the 4th con. Jacob overheard their nubs and shed a stick through the window at them and they decamped.

—During the electrical storm which passed over this section of the country Wednesday evening, last week, the residence of H. B. Miller was struck by lightning, smashing a hole in the roof. The inmates were startled considerably.

—If you have an animal stray or have one on your premises that is not your own, advertise it in the GAZETTE and you are sure to find it. People are waking up to the fact that the GAZETTE is the best advertising medium in the county. It is ever our endeavor to make this paper second to none in the Province.

—This week we received the first issue of the Tavistock Gazette, J. W. Green's new paper. It is a neat, clean sheet and deserves the hearty support of the people of Tavistock and surrounding country. Mr. Green has the best wishes of this community for his future success.

—There came to hand this week a copy of a new paper called Farming, which is the successor of the Live Stock Journal, issued by the Bryant Press of Toronto. This volume is a far superior number than ever was the defunct Journal. An editor has charge of the several departments, who is thoroughly versed in his subject. This is a volume every farmer should have. There are many valuable hints to be obtained therefrom.

—In a report sent to the United States government by the American Consul in England re opening of a market for agricultural products in Great Britain, states that in every line Canada's exports are far superior to that of the United States, with the exception of cattle. It behooves our farmers to take more care in feeding of their stock. There is no more in shipping lean cattle to the old land for either the buyer or seller. If our farmers would take more pride in turning out their cattle for export, Canada would soon head the list as an exporting nation. It is the people who make a country what it is, and if Canada is to become a great nation, each subject should endeavor to do his best in forwarding this issue.

—It is a settled fact that Mildmay is going to have electric lights. The lamps are being placed in position this week. Mr. Donald McIntyre, who has operated the system in Paisley for the past year, and whose contract with that town has expired, will move his plant to Mildmay immediately, and expects to have everything in operation by the 21st inst. This is one of the improvements this enterprising town should have had long ago, but better late than never. Mr. McIntyre has secured the promise of nearly one hundred arch lights. Besides having the lights in the business places, we should have some street lights. Talking to Mr. McIntyre the other day, he stated that he was prepared to erect street lamps if the people so desire. The cost would not amount to much to each individual, but in the aggregate would easily pay for the street lighting. On dark nights the lack of artificial light is quite apparent.

—Take a look over J. D. Miller's and Sargeant & Co's, advts.

—Owing to the prize list of the fall show taking up so much space, we are forced to hold over the school report and a report of the S. S. Convention.

—A very fashionable wedding took place at the residence of Mr. August Pross Wednesday afternoon, when Wm. G. Liesemer was united in marriage to Miss Annie Pross. The bridal knot was tied by Rev. G. H. Haist. Miss Annie Liesemer assisted the bride, while Mr. August Pross jr attended the groom. The bride looked charming in a pale blue dress, while the groom was dressed in the regulation black. The young couple were the recipients of many costly presents. They left on the 7:04 train for Detroit and other American cities. There was a large crowd of friends at the station to wish them bon voyage. The GAZETTE joins with the many friends in wishing them a long and prosperous wedded career.

## BURGLARS !

Some of our stores seem to be a prey to the burgling fraternity. If such storekeepers would follow the example of the Johnston store and sell at right prices, then no one would be tempted to burglarize and there would be an end of alarming reports.

When our prices are known, even the meanest burglar would be ashamed to try and get goods for less than we offer them at. When people are victimized in the day time it is no wonder some to get even during the night. We do not mark some goods away down below cost and tuck it on to others. Everything is marked down to the lowest notch.
