

THAT SON-IN-LAW OF PA'S —By Wellington

**"This is the way to save" to-day without more pay**  
**Ride a Hawthorne**

No war which teaches "thrift" and "economy" can be wholly wasteful.  
 Men and women are turning to the Bicycle as one of the greatest savers of time and money in the world to-day.  
 As a medium of economy the bicycle has no equal—not even a rival.
