—of package Teas, the objection to them is that the cost of packing them is too great. It has to be made up in one of two ways, either decrease the quality or increase the price.

In making this statement, you understand of course, that we are stating our own opinion merely. We sell package Teas, but we do think you get much better value when you buy Teas in bulk.

We would like to give you a sample of Tea at the price you are using, and have you compare them. In particular we know that our English Breakfast Teas are splendid value. You can be sure of a cup of good Tea in buying any one of them.

## HOT WEATHER AILMENTS

The best medicine in the world to ward off summer complaints is Baby's Own Tablets, and it is the best medicine to cure them if they attack little ones unexpectedly. At the first sign of illness during the hot weather give the child Baby's Own Tablets, or in a few hours the trouble may be beyond cure. These Tablets cure all stomach troubles, diarrhoea and cholera infantum, and if occasionally given to the well child will prevent them. Mrs. Edward Clark, McGregor, Ont., says: "I used Baby's Own Tablets for my little girl, who suffered from colic and bowel troubles and I found them the most satisfactory medicine I ever tried." This is the experience of all mothers who have used this medicine. Keep the Tablets in the home during the hot weather months and you can feel that your children are safe. Sold at 25 cents a box by writing to Dr. Williams' Medicine Co., Brockville, Ont.

## CHATHAM WINS FINAL GAME

The Tecumsehs Defeat St. Thomas Yesterday at London by the Close Score of 3-2.

Deciding Game for District Championship—Big Crowd From Chatham—Play off With Brantford Next

The Chatham lacrosse team are the heroes of the hour. By their prowess St. Thomas was defeated yesterday at London by the close score of 3 to 2. With the game goes the championship of Junior District No. 1.

The enthusiasts who accompanied the team are busy retelling the details of the game to small circles of those who were less fortunate and the players are the objects of hero-worship on the part of the small boy who fondly hopes to attain the dizzy heights they have reached.

The special G. T. R. train carrying team and supporters left about 1.30 p. m., arriving at London at 3 p. m. The game started about a half hour later. The triumphant return trip was started at 9 p. m. Supporters of the team who were unable to attend the death struggle met the team at the station on its return, accompanied by both the bugle and brass bands of the Regiment. In no uncertain manner they gave the team a hearty welcome, to understand that the town was theirs. A procession was formed, which, on its road around town regaled citizens along the route with the joyful news. St. Thomas having been disposed of the next proposition is Brantford, the home of the next district. Home and home games will be arranged for soon.

The London Free Press has this to say of the game.

Both teams started out rough, but Referee Gillespie kept his eye open and the belligerents during the greater part of the game. During the first two quarters of the play the penalty was but five minutes, but this was ruled to ten minutes, with the effect that during the last period the play was comparatively clean.

During the game the following players took enforced rests: Kelly 2, Lawson 2, Cuthbertson, C. D. 2, Elliott, MacIntyre 3, Webb 3, Laidlaw, W. Leddy 3, Pickering, Warren 2.

In the first quarter the Railroad City team played miserable lacrosse. Their defence was particularly bad and allowed themselves to be drawn and outplayed by their opponents. Chatham's two goals in this quarter were scored in this manner. The defence division braced up after this and played a remarkably good game.

Generally speaking, the St. Thomas home field was the weak spot, Raymer, McIntyre and Launt doing the work, but the rest played poorly throughout.

This was probably the cause of their defeat, for with a weak back team work.

Kerr, in goal for St. Thomas, played a good game, showing well in comparison to the work of Hamilton, the Chatham goal tender, who was for some time having an exceptionally strong defence in front of him.

Harry Pickering, Chatham's point, was the star of the game. He is head and shoulders above any other man on either team. Stewart, of the same team, also played well. Cuthbertson, Skelving and Raymer are the pick of the St. Thomas twelve.

Chatham took the lead early in the game, and at the first quarter the score stood 1-0 in their favor. Their opponents, St. Thomas scored once during the next quarter, and once in the third. Chatham took no chances in the final period. Almost the entire team was massed around the goal, and they played the game against time.

Chatham—Goal, Hamilton; point, Pickering; first defence, Elliott; second defence, Webb; third defence, Hutchison; centre, Cuthbertson; right home, Grant; second home, Laidlaw; left home, Morrison; inside, Lawson; outside, Stewart; field captain, Young.

St. Thomas—Goal, Kerr; point, P. Leddy; first defence, Cuthbertson; second defence, W. Leddy; third defence, Kelly; centre, Goulette; third home, Lawler; second home, Chapelle, first home, McIntyre; inside, Launt; outside, Raymer; field captain Swackhammer.

Referee, Harry Gillespie, Toronto.

## DOUKHOBOR FANATICS.

Party of Thirty, Nudes Captured Near Yorkton, Manitoba.

Yorkton, Assa, Aug. 12.—About 30 Doukhobor fanatics are on the rampage again seeking Christ. Without food they marched within half a mile of this town, when they stripped themselves and burned their clothing. The police were notified and went out with drags and blankets and brought the fanatics into the court house. Men, women and children were inside, and they intended marching through the streets in a nude condition. They will eat nothing but raw potatoes. Another similar party are now coming here.

Gives Himself Up.  
Hamilton, Aug. 12.—After being a fugitive from justice for one month James Shackleton gave himself up to the police yesterday morning. Shackleton and Peter Williams, who were both employed at New's brick yard, had some words, which led to blows. Shackleton took a pick and struck Williams on the head, inflicting a serious wound. For several days it was thought that Williams would die, but after a couple of weeks he recovered and is now about again. He was remanded till Monday, when he will be tried.
