PLEASE USE CARE.

The staff of a newspaper meets with endless trouble in the attempt to decipher manuscripts sent to the office for publication. Persons writing for publication should see that all proper names, particularly, are carefully spelled out, as errors may occur when compositors are not familiar with the names. Advertisers, too, will consult their own interests by writing plainly and carefully punctuating their "copy."

THE PROVINCIAL AUDITOR.

Says the St. Thomas Times:—Some of the small fry of the Liberal press have been heaping abuse and ridicule upon Mr. James Clancy, the newly appointed provincial auditor, but the Globe and the better elements of the party, who know something about Mr. Clancy as a financier and gentleman, do not hesitate to endorse him and compliment the Government on his appointment. The Globe says "there will be no disposition on the part of Liberals seriously to find fault with the selection of Mr. Clancy. He began his parliamentary career as a member of the Ontario Legislative Assembly, of which he was always a hard-working, unassuming and courteous member. If fault was ever found with him specially it must have been by the officers of the Audit Department, on account of his persistent requests for financial returns, the complication of which remarkably increased the clerical work of the staff. If Nemesis overtakes him hereafter in the form of similar trouble caused by his former political opponents, the recollection of what he made others undergo will probably enable him to submit to the retribution with a certain grim humor that is an excellent preservative of good temper."

Such an expression as the above from the leading opposition paper is a rebuke to those papers of lesser status and influence who could see nothing in Mr. Clancy but the bitter Tory partisan, and who would send an angel from heaven if he differed from them on public questions.

Those who know the new Provincial Auditor will consider him eminently qualified for the work to which he has been assigned. Among those intimately acquainted with Mr. Clancy is Mr. P. H. Boyer, M. P., whose paper, the Ridgeway Dominion, speaks as follows:

"Mr. Clancy is too well and favorably known to readers of the Dominion to make it necessary for us to dwell at length upon his ability and fitness for the office. That is acknowledged. What we must express, however, is the delight of the people at the selection made by the Government. No man in the west possesses more personal friends or is more highly esteemed than Mr. Clancy. Able, courteous and affable, Mr. Clancy only made friends in spite of the many strenuous political fights he engaged in. Even those who felt constrained to oppose him liked and admired the man, and none will rejoice at his recognition more than his old-time Liberal opponents. Nothing in the gift of the Whitney Government was too good for James Clancy, and he is eminently qualified for the office to which he has been called."

RANKIN--BROWN

A very pretty wedding was solemnized last Tuesday evening, September 5th, at the home of Mr. and Mrs. Wm. Brown, 13th concession, Chatham Township, when their youngest daughter, Grace Pearl, was united in marriage to James S. Rankin, a prosperous young farmer of Dover Township. The ceremony was performed by the Rev. Mr. Moorehouse, of Tupperville. The bride was dressed in white with silk and lace trimmings and carried a bouquet of white flowers. She looked very pretty as she entered the parlor leaning on her father's arm, to the strains of the wedding march played by Miss Sadie Armstrong. Miss Mae Rankin, sister of the groom, was bridesmaid, being dressed in white and carrying a bouquet of white flowers. The bride's going-away gown was brown Panama cloth with cream silk trimmings and brown silk hat to match. The happy couple, amid showers of rice, left for Chatham, where they took the midnight train for Toronto and other eastern points. Their friends all join in wishing them a happy and prosperous wedded life.

"The Wayward Son," which is to be the offering at the Grand for Friday, Sept. 15th, is a delightfully superior article in the line of comedy dramas that have been foisted upon theatre-goers during recent years. The author and star of the piece, Mr. Neil Twomey, has cleverly avoided the conventional and related a tale of exceptional human interest. The action does not lack in melodramatic effects and situations, and the story, though intensely strong, is enhanced by a delightful natural comedy vein. Briefly, through the machinations of the chief of police, whose enmity he has incurred, and who is himself at the head of a counterfeiting gang, Tom Hanford, a manly young fellow, has been made a scapegoat for the chief's nefarious schemes. Martha Barard is a secret service operator, who comes from Washington to the scene of the play to run to earth the counterfeiters. She is convinced of the innocence of Hanford, upon whom the chief attempts to cast suspicion and resolves to find the real criminals. Many exciting adventures occur, the greatest of which is a realistic railroad scene in which, during a blinding snow storm, a freight car is detached from a train on a heavy up grade and the hero, safely hidden in a large trunk inside, escapes from the grasp of the chief. Of course a happy denouement is effected, "The Wayward Son" retrieving his honor, and winning a bride as well. Prices 25, 35 and 50 cents, and a few at 75 cents. Seats selling at Briscoe's.

St. Mary's Ferry, York County, N. B., Sept. 11.—(Special).—That Dodd's Kidney Pills will cure Diabetes, one of the most deadly forms of Kidney Disease, has been satisfactorily proved by Mr. Thos. Harrison, of this place. Speaking of his cure Mr. Harrison says:

"I began to suffer with severe pains above the region of the Kidneys. When I lay down it was torture to get up again. My appetite failed and I lost flesh rapidly. "I doctored with several physicians but it was all no use. Shortly after this I began to urinate blood and then I knew I was in the grip of that dread monster, Diabetes. "At this time a friend prevailed on me to try a box of Dodd's Kidney Pills and they did me so much good I continued the treatment till I had used three boxes. They cured me completely."

WHY THAT WEARINESS?

You're uneasy, restless, without appetite. Still worst, you are thin and fagged out. Work must be done, but where is the strength to come from? Make your blood nutritious and you'll have lots of strength. Your only hope is Ferrozone, an instant blood-maker, blood-purifier, blood-enricher. It brings keen appetite, digests food and supplies nutrition for building up all the bodily tissues. Ferrozone makes muscle and nerve-fibre, increases your weight, instils a reserve of energy into the body. It drives out the impurities of the blood, restores the exhausted system, and gives you healthy vigor. Use Ferrozone, which all dealers sell in 50c. boxes.

DEAFNESS CANNOT BE CURED.

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surface.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.
