Local Happenings.

Beginning next week the Wolfville stores will be open three evenings each week, Tuesday, Thursday and Saturday.

A sure sign of spring—the Indian Motorcycle, 1914 model, on our street. It's a winner.—A. V. RAND, agent.

Batteries, spark plugs, oil, gasoline and all kinds of gas engine supplies at the WOLFVILLE GARAGE. Phone 29-11.

MOORE SHREDDER COPOLANET is only 25 cents per pound, at YOUNG'S. The regular business meeting of the W. C. T. U. will be held this afternoon 3 to 3:30 in the vestry of the Baptist church.

Gasoline engines and equipment put in first class order at the WOLFVILLE GARAGE. Now is the time to bring them along and get them ready for spring.

Dwelling over my store to let April 1st. J. F. HERRIN.

The Presbyterian pulpit was filled on Sunday Morning last by Rev. H. Y. Correy, returned missionary, who gave a very interesting address on 'The New Era in India.'

The Presbyterian service is being moved to its new site this week, so as to make ready for the erection of the new church building. Mr. Ernest Porter has charge of the work.

CLAM SUPPER.—The Women's Christian Temperance Union will serve a hot supper at Miss Robinson's Tea Rooms, Wednesday, April 1st, from five to eight o'clock. Supper 25 cents.

The plans for the new Presbyterian church have been approved by the committee and the contract for its erection given to Mr. Charles Wright. The price is \$10,000 and the work is to be completed, we believe, by Nov. 1st. Mr. Andrew Cobb, of Halifax, is the architect.

The congregation of the Methodist church are having a number of changes and improvements made in their building preparatory to the installation of their new organ, which is expected to be ready for use by Easter. The Methodist choir has been one of the best in town for many years, and the addition of a fine new organ will put them in a still more favorable position to excel in this regard.

Wolfville W. C. T. U. has secured the services of Mrs. Bradford to give an address to the women of Wolfville in the vestry of the Baptist church this afternoon at 3:30 o'clock. This lady will also speak to the young women of the town at the same place this evening at 7:30 o'clock. Mrs. Bradford is a most interesting speaker and every lady who can possibly do so should hear her speak on some phase of women's work.

Evangeline Division, S. of T., paid a fraternal visit to the 'Lily of the Valley' Division, Port Williams, Monday evening, March, 23rd. Casard Division was also in attendance. After a good program of entertainment supplied by the different Divisions, a beautiful supper was served by the 'Lily of the Valley' Division. The speech and weather being favorable, contributed to the pleasure of the evening, which was enjoyed by all.

The Intercollegiate debate between Mt. Allison and U. N. B. is to be held at Seckville this evening. The subject for discussion is 'Resolved, that an Imperial Parliament is prejudicial to the interest of the British Empire,' as a whole, would be to the advantage of that Empire.' The judges are to be Dr. Cutten, President of Acadia University; Dr. McKee, of Acadia University; Dr. McKee, of Acadia University; and Rev. Canon Powell, of King's University.

The Pupils' Recital which was given in College Hall last Friday night was a most enjoyable event. A large audience was present and the program was full of interest from beginning to end. The pupils who took part represented the departments of Piano-forte, Voice, Violin and Oboe. To make comparisons would be invidious and out of taste, but the friends who were privileged to be present will insist that this was one of the best recitals which has been given in the Hall in recent years. The next recital will probably be given in College Hall, Friday, April 3.

Men's Class. Mr. Bradford, whose address has been listed to with such marked interest during the last week, will speak to the Men's Class next Sunday afternoon at 3 o'clock in the Baptist church auditorium. His subject will be 'The Responsibility of the Community for its Future Citizens.' Mr. Bradford has had a large and successful experience in connection with community work and is well able to tell the intelligent men of Wolfville what they can do for the welfare of the Community, especially for those who shall make or mar the town in the next generation. The Wolfville Male Choir will be in attendance and will sing. Come and bring the other man, yes, bring two. Shall we not have a large audience?

When Baby is Ill. When your baby is ill, when he is cross and hard to mind; when his teeth are bothering him or he is troubled with constipation or indigestion; give him Baby's Own Tablets. They are the best medicine for little ones. They never fail to regulate the bowels and sweeten the stomach, thus making teething easy, cutting constipation, colic, indigestion and breaking up colds and fevers. The Tablets are sold by medicine dealers or by mail at 25 cents a box from the Dr. Williams' Medicine Co., Brockville, Ont.

Boy Scouts. The second game of the Patrol Basketball League resulted in a win for the 'Wolves,' score 13 to 11. This evening the Otters will play the Wolves. Game will start at 7 p. m. sharp. After the game Mr. Bradford, of Montreal, will address the boys. As very good recollections of the stories told by Mr. Bradford on his last visit will remain with the boys, they look forward to this evening with much pleasure. All who are interested in the work with the boys are cordially invited to be present.

Mr. Elson Graham is delivering a course of lectures on 'First Aid' to all Scouts who have passed their class tests on Wednesday evening, 7 to 8.

Personal Mention.

(Contributions to this department will be glad received.) Mr. R. E. Harris returned last week from a short visit to Boston and vicinity.

Mr. A. deW. Foster, M. P. Federal member for this county, was in Kentville on Monday.

Mrs. R. E. Harris is spending a few weeks in Quebec, visiting her daughter, Mrs. J. F. Kennedy.

Mrs. R. V. Jones, is spending a few weeks with her daughter, Mrs. J. S. Margeson, at Birseha, Berwick.

Mrs. Thomas Craig, of Cambridge, was a visitor over Sunday at the home of her daughter, Mrs. C. A. Pattison. On her return home on Tuesday she was accompanied by Mrs. Patiquin and little daughter.

Brenton B. Harris, a young student at the Maritime Business College, was struck with hemorrhage of the lungs on Friday last. Dr. Mackenzie is in attendance and he was removed to the infirmary yesterday. Mr. Harris' home is in Middleton.—M. Chronicle.

A Good Lecture.

TO THE EDITOR OF THE ACADIAN: DEAR SIR.—I had the pleasure to be present at a very interesting illustrated lecture on the subject of the Evolution of the British Navy, a few weeks ago. The distinguished lecturer, Lieut. Bryant, R. N., who is now making his home in our town, had taken great pains to prepare this splendid entertainment, and I understand it is the second time he has given it here. On the first occasion in College Hall an accident occurred with the electric lights which cancelled it partly. It is a matter of regret that so few of our citizens came to hear and see what the Motherland is doing for us, as our alert and ever vigilant police force of the seas. We owe our peace and prosperity to this great agency, and when we are asked to show our loyalty and devotion to the source from which it comes, we turn out as a body's dozen. Surely this should be an education for our young people.

For many years Lieut. Bryant was instructor in the building of Japan's powerful navy, which has since surpassed the world. Under his personal supervision at Tokyo the work was begun. To hear this lecture from the man who has come in personal touch with every phase of Naval life makes it doubly interesting. The lecture is interspersed with racy anecdotes of the life of Jack Tar.

Lieut. Bryant has been asked to repeat his lecture in the Opera House in the near future, and I hope our people will avail themselves of the opportunity to hear and see this presentation of Naval life, especially as a means of education for our young people. Thanking you for your valuable space, I am Yours respectfully, J. D. CHAMBERS.

Makes Old People Strong and Well.

We want to get the news to all old people about Rexall Olive Oil Emulsion, a remarkable new food medicine which we firmly believe is the best remedy ever made to overcome the weakening, debilitating effects of increasing old age. It helps to rebuild wasted tissues, strengthen the nerves, and give new energy and a lively feeling to the body. It contains no alcohol or dangerous drug. It may not make you feel better for a few days, but if you do not feel much better and stronger before you have taken a quarter as much as you have of other medicines that have not helped you, we will gladly give back your money.

Rexall Olive Oil Emulsion contains pure Olive Oil and the Hypophosphites which, though they have long been endorsed by successful physicians, are here for the first time combined. The result is a real body, nerve and blood-building food medicine that we believe is superior to anything else in overcoming debility, weakness and liability to disease, and to tone and strengthen the nerves and enrich the blood. You who are weak and run down—you who are often troubled with various cold weather ailments, use Rexall Olive Oil Emulsion to get and keep well and strong. It is a healthy, pleasant tasting aid to renewed strength, better appetite, glowing health. If it doesn't help you, come and tell us and we will give you back your money without a word. That is how much we have in it. Sold only at the 7,000 Rexall Stores, and in this town only by us. \$1.00. A. V. Rand, Wolfville, N. S.

Golden Wedding.

A very pleasant social event of more than ordinary interest occurred on the 23rd inst. at the home of Mr. and Mrs. Elfish Neary, of Greenwich. It was the fiftieth anniversary of their marriage in 1864. Forty or more of their friends assembled at their residence to celebrate the close of fifty years of most happy married life, and to extend their congratulations. It was of special interest to learn that though only a limited number of the invited guests of 1864 are now living, yet not only the bride and groom outlived the half century, but the bridesmaid and groomsmen have also survived the latter. Mr. Albert Forsyth, of Cambridge, being present to honor the occasion. The bridesmaid, wife of Rev. Richard Weddall, of St. Andrews, N. S., and sister of Mr. Neary, was unavoidably prevented from being present. The son, Mr. Harry Neary, with his wife, and the daughter, Mrs. Charles Forsyth, with her husband, ably assisted their father and mother in receiving and entertaining their guests. After all had extended their congratulations, Mrs. Mary R. Cobb, in a few chosen words, on behalf of the guests, presented Mrs. Neary with a basket of fifty golden daffodils, which were graciously acknowledged by the bride and groom, and awakened many pleasant reminiscences. The home of Mr. and Mrs. Neary, like that of their parents before them, has ever been the centre of a kindly hospitality and good fellowship. As a consequence their advancing age is enriched by the love and esteem of a host of friends, from many of whom, unable to be present, came letters expressing their love and felicitations.

Good Fruit.

The most successful fruit growers of the Annapolis Valley have for years followed the practice of applying Murine of Potash mixed with Basic Slag and Bone Meal, or other Phosphate fertilizer, to their orchards, depending on a crop of clover to supply the necessary Nitrogen and Humus. There is no doubt that the adoption of this ideal system is directly responsible to the remarkable color and quality of Nova Scotia apples, which features have gained for them so many awards and established their enviable reputation in the markets of Britain. We can supply you with all high grade fertilizer materials, Potash, Nitrate of Soda, Acid Phosphate, Basic Slag, etc., at lowest prices. You can mix these yourself at home and save 25 to 40 per cent. in fertilizer cost.
