

Here and There

Paint your face with a smile
Advertise that you are a success.
Then think and work for it.

Life isn't in holding a good
hand, but in playing a poor hand
well.

If the theory that all the value
of the product should go to the
producer holds good, the Canadian
hen should be well looked after
these days.

Are the merchants of this dis-
trict aware that the mail order
houses make it a point to send
their catalogues and advertising
matter into territory where they
found the merchants were not
advertising. And it was in such
territory they got the best results.

Steenerson says reindeer ranch-
ing in the north country will even-
tually supplant Alberta as a
ranching country. By the time
that happens Alberta's ranches
will be covered with factories
utilising power from Alberta's
coal and gas deposits.

The Globe Job Department is
here to give you the Best Service
in Printing. We have the mater-
ial and equipment to turn out jobs
equally as good, if not better, than
any city office. Letterheads, en-
velopes, billheads, memorandums,
account sheets, balance sheets, etc.,
and at the lowest remunerative
price. A trial order solicited.

The agent of the Improvement
Era of Cardston, second ward, Al-
berta, Canada has made a splendid
showing in that ward for the Im-
provement Era. Thirty two sub-
scriptions is the allotted number
to obtain, as five percent of the
ward population. Yet, up to Dec-
ember 29, Robert Savage, the agent
for the Era in that ward, had ob-
tained and sent in from that ward
sixty-nine subscriptions all paid.
We congratulate Brother Savage
and trust that the labors he has
performed will result in good to
those who have subscribed as well
as to the cause in general.—Im-
provement Era.

For the man who can't get along
without booze, the following is
suggested as a means of freedom

Start a saloon in your own home.
Be the only customer. (You save
the license fees, and other troubles
thereby.) Go and hand your wife
\$2.00 to buy a gallon of beer (or
hand her the value of a gallon of
whisky) and remember there are
69 drinks in a gallon. Buy your
drinks from her, and no-one else,
and by the time that the first gal-
lon is gone, she will have \$8.00 to
put in the bank and \$2.00 to start
business again. Should you live
10 years and continue to buy booze
from her, and then die with snakes
in your boots, she will have enough
money left to bury you decently,
educate your children, buy a house
and lot (even in Cardston) and
then marry a decent man and quit
thinking about you entirely.

W. O. Stone, who just returned
from Utah, reports having had
several chats with Prof Evan
Stephens, the famous Mormon
musician. Prof Stephens has just
completed "The Martyr", which
he proposes to stage at the coming
April conference. "The Martyr"
is a piece that goes with "The
Vision", but which Prof. Stephens
thinks is his master piece. Mr.
Stephens assured Mr. Stone that
when "The Martyr" is ready for
the market he will send the Ray-
mond Choral Society some of the
first issue. Mr. Stephens was
glad to hear from Apostle Ballard
of the success of "The Vision"
and extends to all singers and
musicians words of encouragement
along musical lines and choral
social work. Prof. Stephens propos-
es to visit Canada when the Card-
ston Temple is dedicated. The
local Choral Society will remain
in tact and will help furnish mus-
ic for the dedication services.—
