

OF INTEREST TO WOMEN

DUNCAN-McGREGOR
Owing to the illness of the groom's mother, the marriage of Miss Evelyn McGregor, of Winnipeg, daughter of Mr. and Mrs. John McGregor, Seventh Street, to Mr. Charles W. Duncan, which was to have taken place this afternoon in St. Luke's Church, Winnipeg, took place very quietly this morning in the vestry of St. Luke's. Only the immediate relatives of the bride and groom were present.

KELLY-GRIFFITH
A very pretty wedding was solemnized at the home of Mr. and Mrs. G. P. Griffith, of Routhwaite, Wednesday afternoon at three o'clock, when their second daughter Helen, was united in marriage to Victor Lyne Kelly, son of Mr. and Mrs. Frank Kelly, of Melita. Rev. Mr. Parson, of Wawanesa, officiated. Miss Catherine Griffith, sister of the bride, acted as bridesmaid, and Harvey Cochlan, brother-in-law of the groom, was best man.

To the strains of the "Bridal Chorus" from "Lohengrin," played by her sister, Miss Agnes Griffith, the bride entered the drawing room with her

father. She wore a lovely gown of white satin with overdress of georgette trimmed with beads, also the traditional veil with orange blossoms, and she carried a shawl of bridal roses and chrysanthemums. Her only ornament was the groom's gift, a handsome onyx lavalliere set with a diamond. The bridesmaid was attired in a dainty frock of white crepe de chine and carried a shower bouquet of carnations and chrysanthemums. During the signing of the register Miss Thelma McDougal sang "Until" very sweetly.

After a buffet luncheon had been served the happy couple left on the afternoon train for Brandon en route to Melita, where they will reside.

The bride travelled in a navy blue satin dress, sealette coat trimmed with beaver and a picture hat to match.

The bride and groom were the recipients of many beautiful and useful gifts.

Among the out-of-town guests were Mr. and Mrs. Frank Kelly, Melita; Mr. and Mrs. Harvey Cochlan, Mrs. W. Mitten, Miss Gladys Kelly, Mr. J. W. Cooper, all of Brandon; Miss Kitty Williams, Melita; Miss Lillian Coutts, Newdale; Miss Birdella Sweeney, of Wawanesa.

TRILOR-TURNER
A quiet wedding took place Wednesday afternoon at the home of the bride's cousins, Mr. and Mrs. Neil McDonald, 666 Spruce Street, Winnipeg, when Mary Catharine, daughter of Mr. and Mrs. William Turner, of North Brandon, was united in marriage to Horace Sidney Trilora, of Penderina. Rev. H. B. Duckworth of Transcona, officiated. The bride was given in marriage by her uncle, Mr. James Turner, of Norwood. She was becomingly attired in her travelling suit and carried a bouquet of roses. Following the ceremony a repast was served. The happy couple will make their home at Penderina.

PIE SOCIAL AND CONCERT
The pie social held at Forrest, Friday evening, under the auspices of the United Farm Women, was a huge success. During the first part of the evening a delightful program, consisting of orchestral selections, dialogues, songs and dances was given by the Juvenile Orchestra assisted by some of the members of the Great War Veteran Juveniles of Brandon under the direction of Mrs. W. L. Bertrand. Although every number was thoroughly enjoyed, the audience was especially pleased with the manner in which little Miss Mary Bertrand gave her songs. Immediately following the program Mr. Watkins auctioned off several pairs of socks, the sale of which amounted to \$41.85. The sale of pie brought the splendid sum of \$144.30.

SUCCESSFUL BAZAAR
The first bazaar under the auspices of the Women's Section of the Little Souris Grain Growers held in Little Souris Church, Friday night, was a huge success. The various tables, suitably decorated with flags, bunting or Christmas decorations, presented a gay scene with their many pretty articles suitable for Christmas gifts and were well patronized by the large crowd who attended the bazaar from both Brandon and the surrounding district. Mrs. J. S. Lowe was convener of the bazaar and the following had charge of the various tables: Christmas novelty table—Mrs. D. A. Harper; home cooking—Mrs. G. W. Thornton; fancy work—Mrs. G. W. Thornton; candy—Miss Gladys Thornton; aprons—Mrs. Lang, and tea tables—Mrs. J. V. Patterson, Miss Eleanor Hamlen, Miss Hildred Smith, and Messrs. S. B. Lowe, Hugh Thornton, W. McKelvie and J. Hedges contributed to the musical program during the evening. As a result of the bazaar which it is hoped will be an annual affair, \$204 was realized.

DISTRICT CONVENTION
A number of members of the Women's Missionary Society of the First Methodist church in this city attended the Brandon District Convention of the Women's Missionary Society of the Methodist church held in Virden on Friday. Those who were present from Brandon included Mrs. J. W. Church, Mrs. B. J. Hales, Mrs. Lawson Ferrier, Mrs. J. A. Grantham, Mrs. A. J. Oak, Mrs. H. B. Bedford, Mrs. L. J. Carter, Mrs. W. J. Draper, Mrs. Herbert and Mrs. Carlin. Mrs. G. F. McCullagh of Virden presided at the session and interesting addresses were given by Mrs. Dolmage of Souris, and Rev. R. A. Mitchell of Honan, China. The election of officers resulted as follows: District Superintendent, Mrs. G. F. McCullagh; Associate Superintendent, Mrs. Thompson Ferrier; Secretary-Treasurer, Mrs. B. J. Hales.

The principal address at the session was given by Miss Laura E. Hambley, of Tselutsing, West China, who is principal of a large school in connection with one of the Methodist missions, and is now on furlough. Miss Hambley supervised the building of a school at Tselutsing about seven years ago and as a result of the building of this first school, where 100 pupils receive instruction, eight small day schools have been commenced in the

district. Miss Hambley described in a most interesting way the work done at the various missions in West China. At the conclusion of the meeting supper was served the visitors by the members of the Women's Missionary Society of the Virden Methodist church.

PRESENTATION TO MR. AND MRS. DUNBAR

Mr. and Mrs. W. H. Dunbar, for many years residents of the Brandon Hills district, will move into Brandon the beginning of next month, where they will in future reside.

Tuesday evening a large number of the Brandon Hill residents made a surprise visit to the home of Mr. and Mrs. Dunbar. Gathering at the home of Mr. Johnston McPherson, the party proceeded to Dunbar's and fairly took the place by storm. On behalf of the people of the district Mr. James Davis presented Mrs. Dunbar with reading lamp, and Mr. Dunbar was made the recipient of a white onyx mantle clock. In a few words, Mr. Davis spoke of the valued work done by Mr. and Mrs. Dunbar both in the church and the district as a whole, and pointed out the deep regret which the community felt at the loss of such old timers from their midst. Mr. Dunbar suitably responded. The remainder of the evening was spent in music, refreshments being served until twelve o'clock. After the singing of "Auld Lang Syne" and "For They are Jolly Good Fellows" the party broke up with the singing of the National Anthem.

POWL SUPPER AND CONCERT
Great success attended the fowl supper and concert Tuesday evening given under the auspices of the North Brandon Community Club, in connection with the Union Church anniversary services. Supper was served in Zion Church while the concert took place in Bethel. A large number of Brandon people as well as people from all the surrounding district attended. There was such a crowd that some had to wait. However, everyone felt amply repaid for waiting when they finally gained entrance and were seated at the table. So generous was the quantity of food that an auction sale took place at the close which brought the sum of \$25. Mr. W. Jewell acted as auctioneer. The proceeds of the supper was \$300 which made a total of \$325. Rev. R. H. Lowry, of Brandon, performed the

duties of chairman for what proved to be a very enjoyable program of readings and vocal solos given by Miss Marguerite Murray, Miss Ruth Morgan and Miss Aleta Burchill, all of Brandon. That the program was very successful was evident from the hearty applause which the artists received.

FINAL DIVIDEND
WHEAT CERTIFICATES
IS TO BE 18 CENTS

Making the Price Basis No. One Northern, Fort William \$2.63.

The following statement has been received from James Stewart, chairman of the Canadian Wheat Board: "Realizing that producers are anxious to know, as early as possible, the full value of their Participation Certificates, the Canadian Wheat Board has made a careful audit of its accounts up to a recent date. The result indicates that it can pay on the final dividend eighteen cents, making a total of forty-eight cents. This will make the price, basic One Northern in store Fort William, \$2.63, or an average price throughout the year at points of shipment in Manitoba, Saskatchewan and Alberta of \$2.60 per bushel.

"The Board has already distributed, on the interim dividend, about \$38,000,000, and payment of the balance of approximately \$28,000,000 will, it is hoped, be commenced about the middle of November, and completed, before the end of the year. Over \$80,000,000 of the foregoing will be distributed among producers in the three Prairie Provinces, the balance in Eastern Canada and British Columbia."

The interim payment was 30c per bushel, but at the time interim payments were commenced it was announced that the Participation Certificate would be worth at least round 40c.

Though no official announcement has been made of amounts handled, the amount being paid on Participation Certificates would indicate that it was about \$130,000,000.

Ottawa, Oct. 28.—Sir Henry Drayton, Minister of Finance, and chairman of the Tariff Commission, said that from the different representatives made before the Commission during its Western trip, it was obvious that the new direct methods of taxation had evoked considerable interest, particularly the income tax and its enforcement.

MARKETS

Winnipeg, Nov. 2.—Another dull and featureless day was recorded in both cash and futures here today, with the trade volume exceptionally light. Fluctuation in wheat was about 1/4c on all three contract months. In cash wheat the market offerings were fairly large, while the buying power was poor. Coarse grains were in the same condition as wheat.
