

Gin Pills relieved her headaches and backaches

Headaches and backaches frequently indicate kidney trouble, and may be the forerunners of dangerous illness. Read how one sufferer was relieved.

"My trouble has been very bad headaches, backaches and dizzy spells. I started taking Gin Pills and only used a little more than half a box when my headaches and backaches stopped and now I feel like a new girl. I am well and have had no return of those distressing headaches and backaches."

Miss Benulle.

Greer's Mud Muddle Mumbles

By ERWIN GREER

(President Greer College of Automotive Engineering, Chicago)

HOW TO TRACE TRACTOR TROUBLES

The tractor engine differs from the automobile engine only in that it is of heavier construction, longer stroke, and of slower speed, which is kept constant by a governor. And because of these differences, tractor engines offer other distinct problems in operation aside from general ills to which the automobile engine is heir. These ordinary troubles can be cured by anyone with a working knowledge of gas engines.

Many tractors are designed to run on kerosene as well as gasoline. Kerosene volatilizes much slower than gasoline, hence heat is the only thing that renders kerosene volatile enough for use, and even then the engine parts must move slower than when using gasoline to gain the full benefit from its use.

If you find that your kerosene is condensing and impairing the work of your tractor engine more than should be expected, look at once to heating devices attached to the carburetor and manifold. One way to test this is to gauge the pulling power of the engine. If the fuel adjustment is shut down as far as is practical to give a good mixture and there is still a decided lack of power the chances are that the kerosene gas is chilling below the safety point. Another way is to watch the exhaust. If the carburetor is adjusted properly and there is black smoke issuing from the gas pipe, condensation is taking place, and the kerosene is not properly utilized.

"Kerosene knocking" is an ailment

which many operators of kerosene tractors have to overcome. It isn't one-half so bad as it sounds. Such a knock may occur because of accumulated carbon in the cylinders, but there is yet another reason. A kerosene knock may occur because of the differences of combustion characteristics between kerosene and gasoline. The heating value of gasoline is much greater than kerosene, consequently developing more horsepower per gallon. If such a knock does take place when traveling under a normal load, the combustion space between the piston and cylinder head may be too small. Try building up this space by inserting one or two shims between the cylinder block and the head, providing the head is removable.

Carbonized spark-plugs and poorly heating valves will be found to attend poor kerosene combustion.

Air washers are necessary to tractor work where the machine is constantly passing over dry soil, lime, fertilizer, etc., during dry weather. Equip your tractor with one and minimize your troubles.

A Quick Rejoinder.

A new story of Lord Darling is being told by Lord Birkenhead. The occasion was when Lord Darling, then a junior counsel, was addressing a jury at the Quarter Sessions. He had been speaking for some time when the chairman remarked: "Mr. Darling, have you noticed the position of the hands of the clock?" Swift came the reply: "Yes, sir; but with respect, I see nothing to cause anxiety. They seem to me to be where they usually are at this time of day."

EDMUNDSTON

Cecil Matheson of the Fraser Companies, Ltd., is on a business trip to Montreal this week.

Mrs. J. W. Hall entertained informally at her home on Monday afternoon of this week.

Mrs. Douglas Stevens received for the first time since her marriage at her residence Grand Falls Road this afternoon.

Mrs. Aaron Lawson left on Tuesday for down river point. She will visit McAdam Junction, Fredericton Junction, Fredericton, and other places before her return.

Mrs. F. D. Tweedle of Woodstock was a visitor at the home of her daughter, Mrs. L. W. Bragdon recently, returning to Woodstock on Wednesday of last week.

M. Abbas is in Montreal this week on a business trip.

Isaac Kasher who has been in Montreal on business for the past few weeks, is expected home this week.

Mr. Amerault of the Royal Bank here has been transferred to the management of the branch of the bank at Eastern Harbor, N. S., and left to take up his duties there this week.

Joseph David is on a business trip to Montreal this week, buying his spring stock.

A new operator has joined the staff of the Telephone Exchange here, Miss Ann Lajoie, who is on night duty.

Charles Edmunds, 21st Avenue, who has been quite ill, necessitating his being confined to his bed, we are glad to hear, however, that he is much better.

Mr. and Mrs. W. Main are registered at the Madawaska Inn. Mr. Main in charge of a section of the Vocational Board's work for this province and is here in connection with work being conducted at the Edmundston school.

Mrs. Birnie, 21st Avenue, had a nasty fall in her home the other day her foot slipping on a piece of peeling. This fall made her lame for a few days, but we are glad to know that she is better and that there will be no permanent ill effects.

On Saturday evening next at seven-thirty there will be a meeting held of all those who are interested in the preservation of Game and Fish in this county. It is proposed to form a Fish and Game Association, the objects being to see that the law is more adequately enforced in regard to these sports. All interested are urged to be present.

Mrs. W. Mortor was the hostess two days, a couple of weeks ago, on Thursday and Friday of that week at bridge parties. We regret that this was not reported to us at the time. We are always glad to hear of the social news of the town. Ring up The Observer and give us particulars of the out-of-town guests and the social gatherings you have.

A very old resident of the neighboring town of St. Rose, Que., passed away on Sunday morning after a brief illness in the person of Octave L'Itallene, aged 82. Mr. L'Itallene was a life-long resident of this section of the country and was very well known in Madawaska County, as in his younger days he travelled this part of the country with a van selling merchandise. Mr. D'Itallene was predeceased by his wife who died several years ago.

Mrs. Franchetti entertained at a delightful supper bridge on Tuesday evening at her residence. The prize-winners were Mr. and Mrs. Vavasour, Mrs. Grady and Mrs. Merritt. The invited guests were Mr. and Mrs. Seely, Mr. and Mrs. Grady, Mr. and Mrs. Landers, Mr. and Mrs. R. B. Murchie, Mr. and Mrs. Vavasour, Mr. and Mrs. Morton, Mr. and Mrs. Merritt Mr. and Mrs. Glinberg, Miss Agness Hebert, T. J. Scott R. R. Richards and Dr. Simms.

Police Magistrate J. B. Michaud draws our attention to the fact that he can give adequate protection through the United States Fidelity Company against burglary, and in view of the robbery this week, it would be an excellent thing for storekeepers and householders to see him in regard to such insurance. He says the rates are exceedingly low and the company he represents one of the strongest. See Mr. Michaud's advertisement in this week's issue.

Mrs. Ralph Murchie, Mrs. F. S. Murchie and Mrs. R. W. Hammond were joint hostesses at afternoon tea on Wednesday. Those present were Mrs. Alec Dunbar, Mrs. Amos, Mrs. Douglas Stevens, Mrs. MacDonald, Mrs. McKinley, Mrs. J. M. Stevens, Mrs. T. Hebert, Mrs. F. Hebert

TO EXPECTANT MOTHERS

Letter from Mrs. Ayars Tells How Lydia E. Pinkham's Vegetable Compound Helped Her

Spring Valley, Sask.—"I took the Vegetable Compound before my last confinement, when I got to feeling so badly that I could not sleep nights, my back ached so across my hips, and I could hardly do my work during the day. I never had such an easy confinement and this is my sixth baby. I read about Lydia E. Pinkham's Vegetable Compound in the 'Farmer's Telegram' and wrote you for one of your books. We have no druggist in our town, but I saw your medicine in T. Eaton's catalogue. I am a farmer's wife, so have all kinds of work to do inside and outside the house. My baby is a nice healthy girl, who weighed nine pounds at birth. I am feeling fine after putting in a large garden since baby came. (She is as good as she can be.) Yours is the best medicine for women, and I have told about it and even written to my friends about it."—Mrs. ANNIE E. AYARS, Spring Valley, Sask.

Lydia E. Pinkham's Vegetable Compound is an excellent medicine for expectant mothers, and should be taken during the entire period. It has a general effect to strengthen and tone up the entire system so that it may work in every respect as nature intends. All druggists sell this dependable medicine. Give it a trial.

Mrs. Baker, Mrs. Rideout, Miss Cummins, Mrs. Goode, Mrs. Armbruster, Mrs. Griffin, Mrs. Murphy, Mrs. S. E. Burpee and Mrs. Hardwick. The hostesses were assisted in serving by Mrs. S. E. Burpee.

J. Chesley Stevens of Stevens Bros. now of Centerville, at one time of Edmundston, successfully passed the Maine State Pharmacy examinations. Out of twenty-one candidates, only two passed the examination. J. Chesley being one, and the other a New Brunswick man too. Five other candidates passed part of the examination and fourteen did not grade at all. The many friends of Mr. Stevens will congratulate him on the success he has met, to which The Observer would add its quota. We have always maintained that these silent men are the ones that accomplish things.

A most enjoyable Valentine Bridge party was given at the home of Mrs. R. B. Murchie on Saturday evening the hostesses being Mrs. R. B. Murchie, Mrs. F. S. Murchie and Mrs. R. M. Hammond. The prize winners were Mrs. R. V. McCabe, Miss Audrey Rideout and Mrs. C. M. Rideout. Among those present were Mrs. Matheson, Mrs. Sergeant, Mrs. McCabe, Mrs. Burpee, Mrs. White, Mrs. Pickard, Mrs. Sullivan, Mrs. Vavasour, Mrs. Merritt, Mrs. Dunbar, Mrs. McKenzie, Mrs. Glinberg, Miss Reith, Miss Brebner, Miss Simmons, Miss Wheeler, Mrs. Brebner, Miss Agnes Hebert, Miss Blondie Matheson, Miss Audrey Rideout, Mrs. Grady, Mrs. Lockhart, Mrs. VanWart, Mrs. Owens, Mrs. Morton, Mrs. J. M. Stevens, Mrs. Hall, Mrs. Landers, Mrs. Franchetti, Mrs. Seely, Mrs. Sherwood, Mrs. Rideout and Mrs. Reith. Miss Blondie Matheson assisted the hostesses in serving refreshments.

THE NURSE

The world grows better year by year, because some nurse in her little sphere, puts on her apron and smiles and sings, And keeps on doing the same old thing.

Taking the temperatures, giving the pills To remedy mankind's numerous ills, Feeding the baby, answering bells, Being polite with heart that rebels; Longing for home, and all the while Wearing the same professional smile Blessing the new born baby's first breath, Closing the eyes that are still in death.

Taking the blame for the doctor's mistakes, O dear! what a lot of patience it takes. Going on duty at seven o'clock, Tired, discouraged and ready to drop, But called back on special, at seven-fifteen.

With woe in her heart which must not be seen Morning and evening, noon and night, Just doing it over and hoping its right.

When we lay down our caps, cross and bar O Lord, will you give us just one little star?

To wear in our crowns with our uniforms new, In that city above where the Head Nurse is you.

TO OUR SUBSCRIBERS

At this time of the year, we are sending out our subscription accounts. We respectfully ask that you will be prompt in your remittance. Your account is small, no doubt, but when there are hundreds of small accounts just like yours the total amounts to a large sum of money.

When paying your account we would ask you to purchase a postal note or money order from your postmaster or an express money order. If this is not possible please add sufficient to your check to cover the exchange as we cannot accept checks for \$2.00 when we have to pay 26cts to the bank. We solicit your aid and co-operation in this matter.
