I. C. R. MANAGEMENT. The Montreal Herald, copying the

Post's remarks about localizing the management of the I. C. R., says: The Sackville Post supports the present Dominion Government, but it is not able to shut it eyes to the system of management which paralyzes to a considerable extent the business of the I. C. R. This, ment when property and the I. C. R. Interpretable to the business of the I. C. R. Interpretable to the property and the property and Liberal Government alike, and, no doubt, with a view of keeping as stiff a check as possible on expenditures. But shere can be no two opniens about this Ottawa control being very embarrassing at times, when matters of moment require to be disposed of the property o

When the Short Line railway gets through to St. John and Halifax the Inter-colonial staff will need to show great activity and energy in seeking traffic or the road's receipts will be terribly re-

We quite endorse the Herald. We quite endorse the Herald.

The present system is troublesome to to ask the Canadian Parliament to

—The price now paid for potatoes in Canning, N. S.; is 40c. Latge quantities are being shipped to Ontario, and it is hoped this is only the beginning of a large trade with the upper provinces in potatoes.

—The bank of Eugland rate to terest is now 2 per cent.

—The bank of Eugland rate to terest is now 2 per cent.

—The bank of Eugland rate to terest is now 2 per cent.

—The spring, nundreds of persont the Marine and Fisheries department was solid against the Government. The agent's son was one of the most officious and offensive partizans. The Railway department was afflicted with the same centagion. One Sinclair, who did not want the Government to be ahead of him in changing, has probably learned by this time sample free. Sold by A. Dixon, Druggist. Where it Ends New Advertisements

He became very violent. Hones Bob Irvine was to have been decapi-tated in five hours. The Railway management gave the Opposition hundreds of votes in the Province.

chiefly occupied with routine business. Several petitions were presented and a number of bills read.

On Thursday, Mr. Hudspeth was introduced and took his seat.

Mr. Tisdale introduced a bill to amend the Electoral Franchise Act, by providing that tenants and occuping the providing that tenants and occuping the providing that tenants and occuping the side and wounded, to yet become residents at the time the lists were made up, without requiring a year's residence.

Mr. Chapleau introduced a bill to allow the side and wounded, to yet become residents at the time the lists were made up, without requiring a year's residence.

Mr. Chapleau introduced a bill to allow the side and wounded, to yet become reconciled to the MacLellan—Stewart methods of banking. There is too much truth in the declaration of Ald. Busby that superficial piety, pointies and imbecility wrecked the bank. Mr. MacLellan's weak side was his piety; it covered him all over and buried out of sight his common sense. It was Mr. R. A. Stewart's piety that recommended him to him. Mr. Stewart is one of the powers the control at Moneton, with powers to carry on the business of the country, it would be better for the Railway, its word be shall have three months' leave of absence, and be allowed to return without payment of any further fee.

In answer to a question concerning the months' leave of absence, and be allowed to return without payment of any further fee.

In answer to a question concernment has expressed its willingness to ask the Canadian Parliament to contribute £15,000 annually, on condition that the British Government to contribute £15,000 annually, on condition the enough additional to make allowed to contribute £15,000 annually, on condition the enough additional to make allowed to contribute £15,000 annually, on condition the enough additional to make allowed to contribute £15,000 annually, on condition the enough additional to make allowed to contribute enough additional to make allowed to contribute enough additional to make allowed to

dition that the British Government contribute enough additional to make and authority, degrades the service. The management at Ottawa has scarcely a point to recommend it. The Government can strengthen their influence and popularity by transferring the I. C. R. management to Moncton, thus ensuring to the public direct, prompt and satisfactory attention, and at the same time increasing the business and reducing the expenses of the railway.

Commercial:

—Contractor Milliken has about 150 men employed on the new Dalhousie building.
—Mr. Edgar moved the second reading of the bill to provide for the discovery and management of the boxes that contained so much of the public from the age of 21 years and form the age of 21 years and protect the female up to the same protect the female up to the same of an enterprising woman who took \$1,000 in each to Minneapolis five years ago and has made \$75,000 out of real estate.
