TO ARRIVE:-

1000 gross Corks, No. 0 to 20.

We sell these Corks 10 per cent. cheapersten they can be imported, being Agents for one of the largest Cork manufacturing houses in America.

All of our Goods are first class and are sold at very low prices to wholesale dealers and the trade generally.

THE ONLY WAY

TO GET VALUE FOR YOUR MONEY is to Buy Good Goods; not the finest quality in all cases. But always buy from the most reliable Manufacturers. Poor Goods are dear at any price.

Boots and Shoes,

Of good Quality and Style, kept constant ly on hand, both at my Manufacture and at my Store, in Blair's Building, opposite the Brunswick House.

My Goods are not shop worn. They are not made nor sold for better Stock than they are. It will cost fifty per cent less to Shoe your family with my Goods then it will with imported ones. So convinced am I of their Superior excellence that I have my name and place of manufacture printed on the bottom of each pair.

Noursicia, as a Dinner Pill, for Furifying the Blood,
Are the most offective and congenial purgative ever discovered. They are mild, but offectual in their operation, moving the bowels surely and without pain. Although gentle in their operation, they are still the most thorough and searching cathartic medicine that can be employed: cleansing the stomach and bowels, and even the blood. In small doses of one pill a day, they stimulate the digestive organs and promote vigorous health.

they stimulate the digestive organs and promote vigorous health.

Ayen's Pills have been known for more than a quarter of a century, and have obtained a world-wide reputation for their virtues. They correct diseased action in the several assimilative organs of the body, and are so composed that obstructions within their range can rarely withstand or evade them. Not only do they cure the every-day complaints of every-body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are, at the same time, the safest and best physic for children. By heir aperient action they gripe much less han the common purgatives, and never internal when the bowels are tinfamed.

har the common purgatives, and never rive pain when the bowels are not inflamed. They reach the vital fountains of the blood, and strengthen the system by freeing it from the elements of weakness.

Adapted to all ages and conditions in all climates, containing neither calomel nor any deleterious drug, these Pills may be taken with safety by anybody. Their sugar-coating preserves them ever fresh, and makes them pleasant to take; while being purely vegetable, no harm can arise from their use in any quantity.
