DR. T. W. POMROY,

CLAIRVOYANT PHYSICIAN,

Is now stopping at

The Waverly Hotel, Newcastle,

where he will remain until WEDNESDAY morting next, the 9th September, when he will leave for Quebec.

Newcastle, Sept. 1, 1874.

The Importance of Health.

None but those deprived of this biessing know its loss. The pimpled, blotched freekled and tettered covered person, looks upon a clean smooth skin with jealousy, and wishes the same. Those whose systems are filled with the virus of Scrofula and other Cutaneous diseases, cannot have good liealth. When the blood is impure, disease is sure to follow. All have timely warning in those Pimpies, Blotches, Freckles Sores, Boils, copper-colored Patches, Seales, &c. Avert the calamity by purifying the system with WILSON'S TONIC AND SARSAPARILLIAN ELIXIR before Scrofula takes a firin hold. How many have virius in the system and in that condition contemplate marriage, knowing little of its baheful influence on the constitution. To such we say STOP. First cleanse yourself of those impurifies, of that sarofuleus infection, which in many cases is hereditary in the constitution, before you bring misery on yourself and offspring. For their sake give the Elixir a trial and eradicate that discase from your system.

Signed Shaulet Thomson, and thereby and the constitution, before you bring misery on yourself and offspring. For their sake give the Elixir a trial and eradicate that discase from your system.

Ayer's Hair Vigor, For restoring to Gray Hair its

restores faded or gray hair to its original color, with the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed or the glands strophied and cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed; but such as remain can be saved by this application, and stimulated into activity, so that a new growth of hair is produced. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. The restoration of vitality it gives to the scalp arrests and prevents the formation of dandruff, which is often so uncleanly and offensive. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a HAIR DRESSING, nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre, and a grateful perfume.
