This Is Better Than Laxatives

One NR Tablet Each Night For A Week Will Correct Your Constipation and Make Constant Dosing Unnecessary. Try It.

Poor digestion and assimilation mean a poorly nourished body and low vitality. Poor elimination means clogged bowels, fermentation, putrefaction and the formation of poisonous gases which are absorbed by the blood and carried through the body. The result is weakness, nervousness, dizziness, coated tongue, constipation, etc.

Commonly known as "the little white pill," NR Tablets are a powerful laxative for a few days, but they do not keep you in a state of constipation. They are the very first dose, but a few more will cleanse before you feel and remove the fullest benefit. When you feel again you need not take more, because every day's work is done. You will find that as a laxative, NR Tablets are easier and cheaper than any other. Nature's Remedy (NR Tablets) are sold, guaranteed and recommended by your druggist.

NORTH'D COUNTY COUNCIL DOES NOT LIKE NEW HEALTH ACT

(Continued from page 3)
Coun. Doyle said delegates from all over the County selected candidates and they are generally selected from each district. It had been done at last liberal convention and did not do it. It was in the interests of the County to make the division. Had S. J. M. for many years representing the County and he would have been qualified to carry out their duty.

Coun. Parker said he was neither a father nor God-father of the resolution. The Government had made one of the planks of its platform and should be adopted. Was law in Ontario that the County being divided was only like running for councillor and centralization of election and present centralization of members. Duty of the government to carry out their election pledges.

Coun. Watling did not think it any use taking up time, better leave it to the County at large to decide who runs. Whatever you do keep doctors and lawyers out of politics, get farmers and working men.

Coun. L. Doyle said every year petitions were sent Government and never seen any result, only putting County in bad light. Should have men we need to do the work and if they do not do it when they appeal. He said as this motion was for the whole province no more should be said about it.

Section two lost.
Section three moved by Coun. Sinclair, section passed.

Coun. Parker said he had introduced matter last year and every man had a copy and thought they had read same. Many resolutions passed by Provincial Government controverted the Act and should be remedied. The act was to facilitate settlement of Crown Lands and the majority of the orders-in-council controverted the act and prevented young men from getting grant under Labor Act. Paid a glowing tribute to boys who have gone to France and said they should be able to get 100 acres of land in the County if they complied with the law and they were unable to do so now.
Coun. Anderson said one hundred acres of land was no compensation for the boys who had served at the front.

Section three carried.
Section four passed in motion of Coun. D. Doyle.

Section five passed in motion of Coun. Schofield.
Coun. McNaughton for County Accounts Committee recommends the following accounts for payment—
J. Jardine & Co. \$6.00
Dr. Marvin 4.00
Dr. Moore 4.00
E. P. Williston (tilling in School Lists) 50.00

Coun. McNaughton for the Committee on Sheep Killed by dogs recommended the following claims be paid—
Mrs. John Carr, Doaktown, 1 sheep, \$10.00
Harold Gray, L. Napan, 1 sheep, \$10.00
Leslie Loggie, Lr. Napan, 1 sheep, \$10.00
James Flanagan, Up. Bay du Vin, 2 sheep, \$20.00
Mrs. O'Donnell, Glenelg, 1 sheep, \$10.00
Archie Alcorn, Blackville, 1 sheep, \$10.00
A claim from Mrs. John Carr, for sheep killed before the act came into force was not recommended.
Coun. Parker and Mercereau moved that Mrs. Carr be paid \$20.00, in addition to that recommended by the Council. Not carried.
Coun. Watling thought \$10.00 rather small pay for a sheep. They were worth \$15 to \$25.
Coun. Schofield said the law only allowed payment for two thirds the value of the sheep.
Coun. L. Doyle thought every claim should be accompanied with a sworn statement, to which Couns. Anderson and Watling agreed.
Coun. T. Parker of the Bylaw Committee recommended the passing of a bylaw, which provided that dogs of Indians must be taxed, but made the recommendation with proviso as to services for taxation without representation.

Council adjourned until 2 p. m.
AFTERNOON
Council resumed at 2 p. m.

Coun. Schofield recommended petition in regard to bylaw forbidding the running at large of cattle at Chathamford be referred to committee in bylaw and that the prayer of the petition be granted.
Also recommended that the janitor be given an increase in salary to \$40 per month.
Coun. O'Shaughnessy objected to increase. Had good man at \$25, but did not favor such an increase.
Coun. Vanderbeck moved an amendment that he be granted \$32 per month.
Coun. Baldwin moved an amendment to the amendment that the salary be \$30.
Coun. L. Doyle favored the increase. Coun. L. Doyle said janitor would be satisfied with \$40.00 per year. He was a good careful man and would save his wages in coal.
Coun. Watling favored giving the janitor \$40.00 per year.
Coun. O'Shaughnessy said old janitor had looked after the school. Better for both parties if we could get

together in the matter.
Coun. Anderson favored the increase to \$40.00.

Coun. Vanderbeck amended his amendment to read \$40.00 per year. Amendment to amendment was defeated.

Amendment carried granting salary of \$40.00.

Petition of Wm. Maloney was laid over for explanation. Mr. Maloney was heard and said he had been assessed on personal property while they had none at Chatham Head except deals which was not theirs but belonged to the British Admiralty.

Coun. Harriman moved that prayer of Mr. Maloney's petition be granted, reducing personal assessment for \$4,000.00 to \$300.00, and that taxes be remitted accordingly.

Coun. E. J. Parker read resolution regarding horrors of the war and it was ordered printed in all local papers.

Coun. Vanderbeck read the report of Jail Committee which reported jail kept and recommended a change in the water system.

On motion of Coun. Thos. Parker of the bylaw committee the prayer of the petition of the residents of Chathamford, forbidding cattle running at large in the parish of Chathamford was granted.

On motion of Coun. Sinclair return of Church Parker Supervisor of Roads for North Esk, passed.

On motion of Coun. Sinclair, parish officers for North Esk, passed.

On motion of Coun. Somers list of parish officers for South Esk passed.

Return of John T. Burchill, collector of road tax, Alnwick, passed.

Return of Hubert D. Robichaud, collector of road tax, Alnwick, passed.

Return of J. W. Loggie, collector of road tax, Alnwick, passed.

Pauper Lunatic acct. of Alnwick with Sec. Treas. passed, showing a balance of \$47.00 on hand.

Road acct. of Alnwick with Sec. Treas. passed.

Coun. Allain of Alms House Committee read the following report:—

Your Committee on Alms House Accounts be leave to submit the following report:—

Our committee find the accounts correct and kept in good order with the exception of four items charged to the parish of Derby, which should have been charged to the parish of Nelson. Your committee recommend that this error be rectified, also the following assessments on the different parishes.

Chatham	\$3,000.00
Nelson	500.00
Newcastle	700.00
North Esk	32.00
South Esk	175.00
Alnwick	175.00
Glenelg	450.00
Hardwicke	125.00
Derby	750.00
Blackville	175.00
Blissfield	600.00
Ludlow	12.00
Rogersville	50.00
	1,200.00

with the usual percentage for assessing and collecting.

J. MCKNIGHT,
D. G. SCHOFIELD,
A. S. HARRIMAN,
D. V. ALLAIN, Chairman

Coun. Watling said there were no paupers in Glenelg and thought \$75.00 was sufficient assessment for Glenelg. Have to pay a certain percentage but assessment was too high. Would never have satisfaction until Council would appoint commissioners.

70,000 PEOPLE

die every year from bronchitis! A large proportion of these could be saved by direct treatment, but in order to heal the bronchial tubes a remedy must be taken which will reach the tubes. Peps is the only remedy which does this. It is the only remedy which reaches the tubes and cures the trouble.

Cases of bronchitis, success in dissolving a Peps in your mouth. The medicine contained is turned into vapor and carried by the breath to the bronchial tubes and the minute air passages. The inflamed lining is healed, the pain ended and the cough stopped.

Miss Mary Weston, a graduate nurse living at 457 Victor Ave., Winnipeg, says she owes her health to Peps. She writes: "When I finished my hospital training I was suffering with chronic bronchitis, trouble, and I was told I would not be able to continue nursing. I used Peps so perseveringly, however, that I was finally entirely cured. I am quite sure that I would not be following my profession to-day if it had not been for Peps."

For asthma, laryngitis, sore throat, coughs, colds and hoarseness Peps are equally invaluable. All dealers, 50c. box.
