When we see a duck with a lame leg trying in vain to keep up with the rest of the flock, it always reminds us of a non-advertising so-called business man, endeavoring to hold his own against his neighbor who advertises.

AN IMPORTANT IMPROVEMENT.—The new Soft Shon and Practice Pedal attachment to a Newcombe Upright Piano serves the nerves of the listener or performer, when practising, as well as the instrument from wear, and preserves the tone.

Rev. Geo. Richardson, Superintendent of the Guelph Conference of the Methodist Church of Canada, left on Monday last for St. Marys, where that body meets this year, to attend the sitting of the stationing committee, of which he is chairman.

HONORS FOR GODERICH STUDENTS.—In the recent examinations at Toronto University, Mr J D Swanson, of this town, succeeded in securing a Bachelor of Arts degree, taking honors in classics. Messrs W R McIntosh and J Wilson, former students of Goderich High School, passed their second year examination. We take great pleasure in congratulating these young men for the splendid manner in which they are upholding the credit of our High School.

A new puzzle has been introduced in the east which is receiving more attention from those who have seen it than did the famous thirteen puzzle in its day. Seven spots are made in a row thus "O X O O". Three coppers are placed on the o's and three times on the o's, leaving nothing on the X. The puzzle is to place the o's and the dimes on the e's by removing the coins and jumping one copper with one dime or vice versa, never moving a coin backward. It can be worked. Try it.

Mr John Ross Robertson, of the Toronto Telegram, was in town on Thursday, and delivered a lecture on "Massion" to the brethren in the evening. He is a hustler in everything he turns his attention to, and sets standing room on a solid pavement every time. He owns one of the best-paying newspapers in Canada.

A public meeting was held in the town hall on Friday evening to take steps to fittingly celebrate the 1st of July in Goderich. The following committee was appointed: C. A. Nairn, P. Holt, F. J. Priddham, D. McGillicuddy, W. L. Horton, D. C. Strachan, Jas. Mitchell, W. Proudfoot and C. A. Hamer.

"IMMIGRANT CHILDREN."—Mr John T. Middlemore, the founder of the Orphan Children's Emigration Charity, London, Ont., left Liverpool on the 31st ulto, in the S. S. Lake Winnipeg with a party of 30 girls and 50 boys between the ages of 8 and 18 years, who are brought out to this country for adoption or hire, chiefly among farmers. They are expected to arrive at the Guthrie Home, near the city, on about the 15th. This will be Mrs Middlemore's 16th annual visit to these shores with juvenile emigrants from Birmingham, England, since 1872. Y. W. C. T. U. OPEN MEETING.—The open meeting in the Temperance Hall on Tuesday evening, under the auspices of the Y. W. C. T. U., was largely attended by an intelligent and appreciative audience, and was an enjoyable treat. The meeting was opened with prayer by Rev J. A. Anderson, after which an excellent and varied program was given. The musical portion of the program was given by a number of the pupils of Miss Wyan, and it is needless to say, reflected credit upon both teacher and pupils; the readings given were of a good order, and duly appreciated; and the lecture on "Woman's Influence," by Rev Mr Simpson, of Brucefield, was an intellectual treat, the matter and manner of delivery being highly meritorious, and which she succeeded in developing, and which she has succeeded in developing into so healthy an organization.

POPLAR ROW.

From our own correspondent.

Miss Dolly McPherson, of Goderich, was the guest of Miss Ida Sallows last week.

Miss McDougall and Miss Campbell, of Walton, were the guests of Miss Annie Sallows last week. These ladies were delighted with their visit on Poplar Row. We should not wonder if a certain young man would visit Walton shortly.

Mrs William Brophy, of Goderich, visited friends on Poplar Row last week on her way to visit some friends in South Bruce.

Poplar Row can boast of the most and the best lady drivers of any place we know of. Some of them can handle the ribbons in good shape, and can drive very spirited horses. We think the prize at the North Western exhibition this fall for the best lady driver will be taken on Poplar Row.

A certain young man working for a farmer in Colborne, while excavating for a cellar, found, at a depth of about three feet under ground, the several articles herein mentioned.—Three horse shoes, a logging chain, one gross of clothes pins, one plough coupler, a dinner knife and fork, one pair corset steels, one boot, drew bolt for wagon, a large quantity of bones, in good state of preservation.

WHY WE SMILE.

The Press Showers Praise on Our Efforts.

"The Goderich Illustrated Signal-Star" Receives Hearty Endorsement from all Quarters—It Fills the Bill in Every Respect.

IT IS WORTH THE MONEY, ANYHOW.

We have received the Illustrated Goderich Signal-Star, being the joint product of the two papers of that town. It is well and handsomely illustrated, and gives all the information required about Goderich and its industries. The town council contributed \$400 towards the publication.—Perth Expositor.—[We didn't get \$400, but we ought to.—Ed. Signal.]

A FINE VOLUME.

The Associate is in receipt of a copy of the Goderich Illustrated Signal-Star. This is a late edition and chiefly written on that beautiful town of Goderich, also giving clear views of the different dwellings and business places of that town. This is a fine volume, and very interesting—ADMIRABLY FILLS THE BILL.

The Herald has received a copy of the Goderich Illustrated Signal-Star, a neatly printed paper, gotten up in book form, containing a description of that pretty town. It has been issued for the purpose of advertising the town of Goderich, and admirably fills the bill.—Guelph Herald.

LEIGH'S ENTERPRISE.

The Goderich Illustrated Signal-Star has just reached our table, and a very creditable sheet it is. It is very nicely printed and well illustrated
