Even when blood poison has already set in, Zam-Buk is still just as effective. Miss Saddington, of Huntsville, (Ont.), says:—'I had a scalded arm which went the wrong way and began to swell very badly. The pain from fitwas terrible and when I went to the doctor he said it was blood poison. For 10 months I was very bad with it. I tried all sorts of remedies, tut could not get ease, to say nothing of cure. One day in the house of a friend Zam-Buk was recommended to nie.
