LOCAL

(From Monday's Bulletin.)

The four-year-old child of James Mounin died yesterday afternoon of meningitis, and will be buried tomorrow afternoon.

Rev. E. E. Marshall officiated at the marriage of Miss Isabella Pascoe to Mr. Wm. Broxup on Saturday afternoon at the groom's house on Helmcken street. The contracting parties were unattended and only the immediate friends witnessed the ceremony. Mr. and Mrs. Broxup will reside in Edmonton.

There are seven cases in all at the temporary isolation hospital, which consists of tents erected in the glade behind the new building. They consist of one tubercular case, which was not received at any of the city hospitals, four cases of measles, and two of scarlet fever. The new building will soon be ready for occupation, as steps are to be taken shortly to have it cleaned and put in shape. A suitable fence is being built to enclose the grounds.

The new nurses' home at the public hospital is about in readiness for occupation. The furniture for it is in the city and will be placed in a couple of days.

On civic holiday the First Presbyterian church will hold its annual picnic at Fort Saskatchewan. A special train has been chartered, a one-day rate being secured for adults and children travelling free. Many forms of amusement will be provided.

Lundy & McLeod's hardware business will in future be known as Lundy, McLeod & Co. The partners having sold an interest in their business to William D. Smith of Woodstock, N.B. Mr. Smith was for several years a member of the city council at Woodstock.

A boy named Ned Wellburn, from Winterburn, was brought in yesterday to the public hospital. He had been out shooting birds when a discharge from his shot gun entered his neck, injuring it badly. He was brought to town and under the treatment received is doing nicely.

Barriester H. A. Mackie has consented to address the workingmen of the city on July 29th on the Industrial Disputes Act. The lecture will be given in the Mechanics hall on Third street, under the auspices of the Trades and Labor Council. Union members especially should keep this evening free.

Mr. Fogz, solicitor for the National Magazine, Boston, is in the city today securing advertising for the special western edition of the publication which will be issued next month. Mr. Joe Chapple, the writer who became famous on his article on the construction of the Panama canal, is preparing the literary features for the number, which will be distributed broadcast by the Canadian Pacific Northern Pacific railways. These railways are using four pages of space each to boost the west and the Edmonton board of trade will likely use this number of the National to set forth the advantages of the city as a manufacturing, agricultural and residential center.

From Wednesday's Bulletin.

A. G. Gross, manager of the Roswell Lumber Co., at Wetaskiwin, accompanied by Mrs. Gross, are visiting in the city.

The plasterers' strike has not yet been settled. The contractors refuse to accede to the demand of the men for 16 cents an hour, and the men refuse to work for less. A large amount of work is tied up as a result.

The Edmonton C.M.R. band will furnish music for the summer fete at Leduc on August 9th. The band has also been invited to perform at a number of other functions, and from appearances will have a very busy summer.

The members of the Beef Commission left last night for Vermilion where sittings will be held Wednesday and Thursday, and will then proceed to Vegreville for Friday and Saturday. The commission will resume the enquiry in Edmonton on Monday.

Mr. Lampman, who will take charge of the party of land speakers of the Kenzie Company, sending to the Peace River country, will leave the city for the north on Saturday. He expects to have an extended stay of six or six weeks, most of whom will be from across the line. He received word of two parties of land seekers leaving Portal and Grand Forks on Edmonton on Tuesday.

CELEBRATE PATRONAL FEAST.

Today being the day of St. Henry of France, and the patronal feast of Rev. Henri Grandin, O.M.I. Provincial of the Oblate Order in Alberta, was quietly celebrated today at the Catholic Mission as a mark of esteem of this devoted priest. He came to Canada from his home in France when quite a young man to join his uncle, the late Bishop Ottawa, and he has continuously since then devoted himself to advance the cause of civilization and religion in the west and north.

BACK FROM WINNIPEG.

John R. Brenton, formerly proprietor of the Edmonton City Coal company, and Mrs. Brenton, returned home via C.N.R. from Winnipeg on Sunday. Mr. Brenton was in Winnipeg undergoing an operation for appendicitis. He went east on the advice of his physicians here and entered the General hospital, where he remained for three weeks. The operation was eminently successful. Mr. Brenton says the operation had not been for the fortunate discovery of a friend in that city I might have been arrested for vagrancy. Actually,

I hadn't enough money to bring me home. Imagine my predicament." Mr. Brenton recently sold his coal mine here for \$300,000, and he is otherwise well fixed. Consequently the experience he had in Winnipeg was decidedly unique. Mr. Brenton declares the crops improve the further west you go from Winnipeg. As an old timer he predicts a bumper crop this year. A good fall, however, is necessary, and he thinks this is coming to the west. It's due us, he says.

TRAVELLING DAIRY.

Hon. W. T. Findlay went south today. He stated that the travelling dairy would set out from Calgary under charge of G. W. Scott, of the dairy commissioner's office, for an extended tour through the south country. Advantage will be taken of these meetings to have the west situation discussed and thoroughly canvassed by Chief West Inspector Mitchell, who will carry on a tour of inspection in conjunction with the dairy classes.

Mr. Foley, the poultry expert of the department of agriculture, will attend some of the meetings and advise the farmers on poultry raising and cooperative fattening stations.

CALIFORNIA CAPITALISTS HERE

(From Monday's Bulletin.) Messrs. H. Marshall, Dr. G. W. Sree of Peno, R. J. Cooper, Thos. Martin, John C. Rorden of Selma, E. J. and F. W. Grant of San Jose, and W. W. Nelson, of Woodlawn, a party of California capitalists, were in the city on Sunday at the Castle. They are part of a contingent of seventeen residents of that state who are seeing Alberta and British Columbia for the first time, and are travelling in a private car, which they left at Calgary. They are out on a land purchasing trip, and were sorry their stay in Edmonton had to be cut so short as they were taken up with appearances of the surrounding country. They have secured an option on a section in the north-western part of the province, and intend developing it along mixed farming lines if they can secure a competent agriculturist to take charge of the work. The party returned to Calgary this morning and start on their return trip to-morrow, going via Spokane.

MAGISTRATE ABSENT.

The Chinese gambling case wound up in a peculiar manner last night. It had been adjourned until 7.30 o'clock, but at that hour Judge Cowan was not in. The case was taken up with appearances of the surrounding country. They have secured an option on a section in the north-western part of the province, and intend developing it along mixed farming lines if they can secure a competent agriculturist to take charge of the work. The party returned to Calgary this morning and start on their return trip to-morrow, going via Spokane.

TRADES AND LABOR COUNCIL OFFICERS.

At the meeting of the Edmonton Trades and Labor Council on Monday night the following officers were elected for the ensuing year: President—H. Nash (Plumbers); Vice-President—J. Westman (Barbers); Financial Secretary and Treasurer—F. Labadie (Cigar-makers); Corresponding Secretary—A. J. Healey (Printers); Sergeant-at-Arms—J. Templeman (Plumbers).

During the term just ended three new unions have affiliated with the council and the growth of all the trade organizations in the city shows a satisfactory progress. The council officers have started work on the Labor Day demonstration, which promises to be the best in the history of the province.

TWO JULY BRIDES.

Rev. A. M. McDonald officiated at a very pretty double wedding at the Baptist church on Friday evening, July 12, when Miss Mary (Polly) Durance was united in marriage to Mr. Harry Crossley, of Edmonton; formerly of Bradford, England, and Miss Lily Matthew, late of Broughty Ferry, Scotland, became the wife of Mr. Henry Bruce, of Edmonton, formerly of Dundee, Scotland.

The wedding march for the happy event was played by Miss M. Fletcher, and Mr. Aitken, a friend of the contracting parties, gave the brides away. Miss Durance was attired in white silk with hat to match, while Miss Matthew wore a delectable costume, her satin waist being trimmed with genuine Maltese silk. Miss Fletcher was owned in white silk, while Agnes Taylor's costume was all-overs lace. The groom's assistants were Mr. Arthur and Mr. Alex Graham. After the ceremony a reception was held in All Saints school room, where the wedding dinner was served. The ladies, who have just launched on the sea of matrimony, have been in the city only a few days, having come direct from the old country, the guests of Mr. and Mrs. Aitken. Mr. and Mrs. Bruce leave tomorrow for Killam, Alta., where they will make their future home. Mr. and Mrs. Crossley will reside at 18 May street.

FIRE IN NORWOOD.

A fire broke out yesterday afternoon in the house of P. Moore, Elm street, Norwood. Its owner returned to find the upper story in flames. He tried to work up some of his effects, but the fire spread so rapidly that he could only remove a few articles. The house was finished away for the plastering, and cost over \$1,500. A small insurance was luckily carried.

Knox Church Young Men's Club expect to see a large number of their friends at their lawn social Tuesday evening. Mr. Davies' beautiful lawn will be the scene of action, and a delightful program has been prepared.

The communion services in Knox Church on Sunday morning were attended by probably the largest number of communicants in the history of the congregation. The old church is far too small for the accommodation of the members, and the early completion of the new edifice is earnestly awaited.

The post office has undergone radical changes and improvements. Three wickets have been placed at the end of the office, and the boxes on the east side. J. A. Connelly, real estate office, has been taken in, and the post office, in consequence, is considerably enlarged. Seventy-five new boxes have been installed. The work of changing was done between Saturday night and this morning.

It is expected that the Strathcona Coal Company's mine will be in operation soon.

The English church has been re-sited to make room for the erection of a new edifice.

A permit has been issued to H. H. 2 in block 82. The house will be brick and cost \$5,500.

The work on the erection of the new church is proceeding slowly at present, owing to the non-arrival of materials.

Work at Mr. East's brickyard was held yesterday morning. The men were lunched out of his restaurant of a breakdown with the machinery.

Mr. David F. Donaldson, who has been resident in the city for several months, left here yesterday to take up a position in Mr. Teviotdale's office on Kinsimo avenue, in Edmonton.

Strathcona's lacrosse team will have to wait a little while for another victory. The team, which played the league match last week, held over till the end of the season.

The acquisition by Postmaster Thomson of Mr. Connelly's real estate office is a step in the right direction, and the installing of a great number of boxes is also a decided improvement in the post office.

The Young Men's Club of Knox Presbyterian Church are holding an lawn party at Mr. A. H. Davies' residence on Lumsden avenue. The Strathcona band is in attendance.

The laying of the granite sidewalk on the north side of Whyte avenue from Niblock close to the Double Block. The continuation of the sidewalk is also well advanced, and in a few days the north side of the avenue will have a sidewalk through all the centre of the city.

After the reading of minutes a delegation was heard.

J. D. Hyndman, of Dawson & Hyndman, appeared before the board as representative of Mr. Richardson, the former owner of Strathcona Place subdivision. Mr. Hyndman pointed out that the subdivision had been laid out some time ago and had practically been grown in. The blocks are 15 and 16 the total length was 600 feet instead of not more than 600 feet as the by-law provides. Mr. Hyndman urged that the subdivision be approved, as it was an old one and the present owners of the lot had built houses and made other improvements, that
