The Poultry Show was continued at i the Prince's Rink yesterday afternoon and night and on both occasions there was good attendances. In the afternoon the children of Mount Cashel and Church of England Orphanages attended and were delighted with what they saw. Last night despite the rain storm, there was a great deal of visitors at the Rink, including some American people, who were agreeably surprised with the splendid products of our local poultry raising. Professor Landry finished judging all the birds last evening. In addition to what appeared in yesterday's Telegram the following is a complete list of the awards made:-
