

Evening Telegram

FRIDAY, November 22, 1918.

the Press of Great Britain has shown peace settlements. These Dominions, all the German Colonial possessions, strong positions to speak on behalf of captured by force of arme during the the others, which have nothing to dewar, to other than the British flag.
This section is indubitably the exponent of the little Englanders, who farget that the British Empire, and not the United Kingdom, has the final a weighty voice in the determining of the others. Which have nothing to demand for themselves, must give their undivided influence and support in favor of the rights of South Africa, Australia and New Zealand. Having a weighty voice in the determining of the coup of Omsk by which Admiral Kolchak, has virtually become dictator of the all-Russian forces, is regarded at the State Department as another sign pointing to a great demonstration. The people unharders out upon the parade ground. When the royal carriage left the parade ground it was preceded by the carriages of most of the members of weakness in the situation in Siberia word in this. It would appear that this part of the Press takes the view that Great Britain represents all, and that the Dominions beyond the Seas, including India, must abide by the decision of any Parliamentary Conwealths to retain the determining of the South African and Australiasian questions, that voice, by the represents all, and that the Dominions beyond the Seas, including India, must abide by the claims of the Southern Commonwealths to retain the lands which they decision of any Parliamentary Conwealths to retain the determining of the South African and Australiasian questions, that voice, by the represents all, and the Dominions beyond the Seas, including India, must abide by the claims of the Southern Commonwealths to retain the lands which they decision of any Parliamentary Condecision of any Parliamentary Con- wealths to retain the lands which they hand. Admiral Kolchak is thought ference appointed solely by the Im- have captured. Other than that to be a man who will not misuse his perial Government. That view of the future cannot be accepted nor is it acceptable to the Dominions. All existed before the war, and which the war the United Kingdom. through the war the United Kingdom and the Dominions were as one, and were regarded as one by the Allies. British designated the whole forces of the Empire on sea on land and in air. Notwithstanding this it has to be remembered that in peace the British, so far as other nations are concerned, are not a unit, because the Empire is made up of a number of free, self-governing nations, each one of which however contributed the words "on victorious peace" crep its full share in the war, without any in. Of course they should be de thought that in times of peace their leted as being entirely out of place at the present moment. interests often diverged, and now that peace has come no one part of the Empire must be permitted to assume

by the section of the Press aforementioned, that the United States of been reported in the city during the been reported in the city during the been reported in the hospital of 17 diphtheria patients, 1 scarlet fever, 1 smallpox. While another the last of the powers ranged against us gives the promise ere long of an honorable and enduring peace.

The It has been suggested, if not urged fates have also been hinted for them, none of which are intended to leave then under British rule. Such a at all. An arrangement of this natu. would neither satisfy the rights minions, each of which so far as internal matters are concerned, at least, are sovereign States, and in ducted there. peace matters practically independent. Every Dominion has, at its own expense, enlisted, transported and maintained its forces in the field, and for the victory which has just been won, each Dominion and State made

IN THE UKRAINE. BASEL, Nov. 22. Entente troops are marching on Kiev, according to advice to newspapers in Switzerland. General Skeropadski, Ukranian dictator, has surren-dered and General Denikena, leader of night to discuss wages, was postponed, anti-Bolsheviki forces has named his

NEW POLITICAL PROGRAMME. LONDON, Nov. 22.

Entente nations, it is said.

David Lloyd George and Andrew Bonar Law made a long election address to the country. For the most part it follows the directions of speeches, made recently by the two political leaders, in outlining plans for preference to the Colonies. It says, owever, that until the country has returned to normal industrial conditions it would be premature to pre-scribe a fiscal policy intended to be permanent. We must endeavour, the address says, to reduce the war debt in such a manner as to inflict the least injury to industry and credit. The military institutions of the counbased upon direct contact with the people. There can be no political peace in the Kingdom or Empire while the Irish question remains unsettled

Therefore all practical paths toward a settlement must be explored. There 203 Water Street .- nov29, are two paths, however, which are closed, namely one leading to the complete severance of the island from the Empire, and the other to forbid sub-
