The New Novel

(By James Oliver Curwood.) Never has Mr. Curwood written a more virile, gripping or swiftly moving story than "The Country Beyond," in which he tells of the love of Jolly Roger, the outlaw, for Nada the "foster-girl" of Jed Hawkins and of their enforced separation through the tracking down of Jolly Roger by Cassidy of the Royal North West Mounted Police. "The Country Beyond" which is packed with thrills is one of the most spacious and fascinating stories that has yet come from the pen of this brilliant writer. Price \$1.50.
