ASTOUNDING, CONFOUNDING, BUT TRUE.

ANOTHER WONDERFUL Cure of Consumption!

BY THE GREAT SHOSHONEE REMEDY, IN CANADA.

Messrs. Young & Chamberlain:

GENTLEMEN.—I, Wilson Storms, of Brighton, C. W., make oath, under the penalty of perjury, that I was afflicted with the Great Shoshonee Remedy, and after my death I continued sinking just as she had done. I had very severe Night Sweats, coughed nearly all night, and every night could not sleep unless a little towards morning. I raised over a quart of matter every 24 hours, and was very weak, and was greatly debilitated. In fact, I was going as fast as I could. I was taking medicine from a regular physician, but it did not even relieve my cough. I went to the village one day, about a quarter of a mile, which took me about two hours. I saw a bottle of the Great Shoshonee Remedy, and I bought it for five dollars. I took a teaspoonful at once, which I felt went to my whole system. At night I took a table spoonful and rested well all night. The cough, night sweat, and every other ailment, gradually left me, and I was able to rest and sleep. I took only three bottles, and am not taking it now, and I am as hearty and well as ever I was in my life. I can testify to the treatment of a while, who was affected with the Liver Complaint. She has taken the remedy and is well. I can testify to the efficacy of the remedy to you if you please.

WILSON STORMS, Sworn before us at Brighton, C.W. this 25th day of August, 1866.

Located in 46 of the largest cities of the States and Canada, under the management of J. D. ODELL, Principal.

AS A SCHOLARSHIP issued from this College is good for an unlimited time, and entitles the holder to the advantages of instruction and influence in obtaining situations. Each College derives special benefit from all others, in the combined experience of numerous teachers, the selection of universities and the publication of text books, beyond the ordinary means of any single school. We have the best system of Penmanship known to the public, taught by experienced, first-class Penmen, for which we were awarded First Premiums in all departments at the late Provincial Fair. Regular class instructions in Arithmetic, Commercial Law, Penmanship, Book-keeping, English Grammar, Correspondence, Composition, &c., &c., with simple black-board explanations, and special lectures to suit individual cases. Actuality business is here introduced by the use of Banks, and other offices, as in business life. It is a practical method of giving instruction in this institution is the most important feature. Students count their thousands of dollars, buy and sell merchandise, real estate, stocks, &c., with as much interest as our first merchants, thus converting the school-room into a banking house and exchange, by introducing the actualities of business, as well as the abstract theory of book-keeping. For further information please call at the College, or send for a 24 page Monthly, enclosing stamp.
