

Two weeks ago a collision occurred on the Alleghany Valley Railway in Pennsylvania, by which Mr. Richard Doyle, of Goderich, one of the passengers was killed and several others seriously hurt. The accident was caused through the carelessness of the train despatcher. Mr. John Doyle brother of the deceased, immediately telegraphed the sad news to his friends in Goderich and took the remains home, where they were buried.

MANUFACTURE OF COCOA.—We will now give an account of the process adopted by Messrs. James Epps & Co., manufacturers of diabetic articles, at their works in the Euston Road, London.—See article in *Cassell's Household Guide*.

PAYSON'S INDELIBLE INK is indelible still; it is plainly written on the minds of the public; after forty years' test it still holds its own and is the only reliable and standard marking ink in existence. It is used with a common pen for marking linen, silk and cotton, and will not wash out.

Mr. Torrance's and the Town Line. Also,

A NUMBER OF VALUABLE FARMS NEAR GUELPH.

PROTECT YOUR BUILDINGS

Which may be done at one-fourth the usual expense, by Using Glines' Patent

SLATE ROOFING PAINT!

AGENTS WANTED IN EVERY TOWN.

A Roof may be covered with a very cheap shingle, and by application of this slat may be made to last from 20 to 25 years. Old roofs can be patched and coated, looking much better and lasting longer than new shingles without the slat, for ONE THIRD THE COST OF RE-SHINGLING.

The Paint is Fire-Proof against Sparks or Flying Embers, as may be easily tested by anyone, and appears from the fact that Insurance Companies make nearly the Same Tariff as for Slat Roofs. For Tin and Iron it has no equal, as it expands by heat, contracts by cold, and never cracks nor scales. For Fences it is particularly adapted, as it will not corrode in the most exposed places.

EXTREMELY CHEAP!

Two gallons will cover over 100 square feet of shingle roof, or over 400 of tin or iron. No Tar is used in this composition, therefore, it does not effect the water from the roof, if turned off from the eistern before the first few rains. On Decayed Shingles it fills up the holes and pores, hardens them, and gives a new, substantial roof that will last for years.

ROOFS EXAMINED. ESTIMATES GIVEN.

And when required will be Thoroughly Repaired. Orders Respectfully Solicited.

S. A. RUSSELL & Co., Toronto, Ont. P. O. Box 282. 60 KING STREET EAST.
