TREMENDOUS Silk Sale Monday

Our silk man says this will be a greater sale than any we have ever had before. It will have to be a tremendous affair—a regular hummer (pardon the word, but it expresses just exactly what we believe this sale to be)—to excel some of our previous immense sales. Here's how we expect to shatter all

2,268 Yards Silk at About Half-Price

How deep the prices have been cut will be realized when we say all our profits have melted away and large shares sliced off the costs. But why the sale? Prices that should cause an early morning stampede to our Silk Section.
