How Society Woman Wards Off Wrinkles

"Wrinkles are not strangers to me, but when I acquire such disfigurements, I know how to lose them in a hurry. A well-known society matron confided this to me. I had wondered how she, with her strenuous social duties and late hours, could so completely ward off the usual marks of care and dissipation.
 "I don't wear wrinkles in public, but those horrid rings beneath the eyes," she continued, "show I've learned what plain, ordinary saxeitol will do. When any of those hateful marks appear, I see to it.
 "I use a powdered saxeitol and a half ounce of witch hazel. I mix the oil, bathe my face in the solution, and—that's the whole secret. I've never tried anything that works so miraculously. My chin is inclined to double; this trouble, too, I keep in check in the same way."—Emily Dean, in Town Talk.

London Conservatory of Music
Students Fill Important Church Positions.

The London Conservatory of Music has a remarkable number of students and graduates holding positions in the large churches of the city, and elsewhere in the Dominion.

Miss Olive Vivian, a graduate of the class of 1911, and a pupil of Mr. F. L. Willgoose, is one of the favorite contraltos of London, and is soloist at the Askin Street Methodist Church. Miss Bessie Oliver, a brilliant vocalist, also a pupil of Mr. Willgoose, is soprano soloist at the Wellington Street Methodist Church. Miss Margaret Gage, graduate of 1913, and a pupil of the same teacher is contralto soloist in a large Winnipeg church. Miss Gladys Shaw, graduate of 1913, and a pupil of Miss Belle Brown, holds the important position of soprano soloist under Mr. Charles Wheeler at St. Andrew's Presbyterian Church. Miss Gladys Reid, also a pupil of Miss Brown, admirably fills the position of soprano soloist at Centennial Methodist Church, while Mr. Bert Weir, the popular organist and choirmaster, is soloist at the First Methodist Church. This position is occupied by Miss Beatrice Hunt, a singer of great power and brilliancy. Miss Hunt is a pupil of Mr. Ernst Schildrick, a member of the Conservatory vocal staff.

Mr. T. H. Nixon, a composition pupil of Mr. Willgoose, is organist and choirmaster of a large church in Kamloops, B. C., while Mr. Clarence Gilmore, who is making such a splendid success with his choir at the Church of St. John the Evangelist, is also a former pupil of the Conservatory, having studied harmony and counterpoint under the same teacher.

Many other positions are occupied in different churches of Ontario and elsewhere by students and graduates of the London Conservatory, and altogether its record of successful appointments is an enviable one.

This Leaves the Skin Smooth and Hairless

[Boudoir Secrets.]
 The electric need for removing hairy or fuzzy growths is fast falling into disfavor among beauty specialists. Because better and better results are obtained with the aid of a paste made by stirring together a little powdered delatone and water. This is applied on the hairs now wanted, and in two minutes rubbed off, and with it comes every trace of hair. The skin should then be washed to remove the remaining paste and it will be left smooth and spotless. Buy delatone in original packages only.

CITY DADDIES PUT THROUGH BUSINESS IN SWIFT STYLE

City Hall Tenders and Sewer Contracts Were Principal Items.

TRAFFIC BYLAW CHANGE

Bylaw Recommended to Fix the Salary of the Wiring Inspector.

Expedition was the keynote of the city council meeting Tuesday evening. Considerable important business was put through, although the meeting was over not long past 9. Contracts for the William street sewer were awarded to W. J. Johnston at \$1,700 for section A, and \$825 for section B; to the Harding Construction Company for the Oxford street sewer at \$3,500; to C. Laythorne for the Burwell street sewer, at \$570.

City hall committee tenders were awarded to Raymond Bros. for awnings and to O. B. Graves for window binding.
 Mr. J. M. Minter was granted a lease of the auditorium of the East End Town Hall until July next, at \$50 a month, all alterations for a moving picture show which he will open to be made at his expense. Ald. White pointed out that fire risks on picture theatres were unusually great and said that the electric wiring in the hall was none too good. Mayor Graham said that the wiring was only temporary and that it would have to be rewired by Mr. Minter.

Electric Signs
 Ald. Ashplant brought in a motion, which was referred to the board of works, proposing to change the hour when electric signs may be turned out from 11 to 10 o'clock.

Bylaws for the construction of a curb and gutter on the north and south sides of York street, were passed by a two-thirds vote of the council.

The old bylaw to issue \$72,000 debentures for additional waterworks equipment was repealed, and a new bylaw passed, the necessary approval of the board of works not having been obtained before passing the old bylaw.

Linoleum Wearing Out.
 Ald. White asked the city hall committee if any dressing for the linoleum in the city hall had been ordered. The bylaw committee would soon become soiled and worn. Chairman Moore said that nothing had been considered in regard to it, whereupon Ald. Sanders jokingly suggested that some street oil be applied.

The recommendation of W. B. Legate as electrical inspector was referred back to No. 3 committee to prepare a bylaw to be presented to the position and other stipulations. The other recommendations in the report of the committee were passed.

Tenders for city printing were awarded to The London Advertiser Printing Company; for city bookbinding, to A. A. Langford & Co., and for the city hall called for city advertising, according to the recommendation of the finance committee.

Traffic Bylaw Changed.
 The traffic bylaw relating to the leaving of automobiles and other vehicles on the street was amended by changing clause 11 of bylaw No. 2977 to regulate the traffic in the public streets of London, to read as follows, namely:
 "The driver of any vehicle shall not leave the same standing, whether tied or locked, or not, for more than thirty minutes at a time, on that part of Dundas street that lies between Richmond street and Wellington street, and Adelaide street and Rectory street; and which lies between the Grand Trunk and Fullerton street, without some capable person being in charge of same; provided, however, that on any street shall no vehicle be left standing so as to interfere with the traffic on the public streets."
 And section 18 of bylaw No. 760 was amended by striking out the following words:
 "Or leave any carriage or other vehicle standing upon any street or thoroughfare within the city limits, unless it be opposite to premises with the transacting of such business."
 There were present: Mayor Graham, Ald. Richter, Moore, Spittal, Johnston, Ashplant, White, Stein, Robinson, Saunders and Bennett.

COMMITTED BURGLARY WHILE "DOPED" BY DRUG

Wardrobe Admits to Theft and Elects for Summary Trial in Police Court.

John J. Wardrobe, arrested in Toronto several days ago on a charge of entering and robbing the home of Mrs. D. Hayes, at the corner of Elias and Adelaide streets, on the night of Oct. 10, elected summary trial in police court Tuesday morning and pleaded guilty.

He was charged with stealing a gold watch, gold cuff links, neck scarf, a kodak, a silver cigarette case, a silver match box, a pearl-handled knife, and two raincoats. The watch, cigarette case and match case, he admitted taking, but said he did not see the other articles, with the exception of the raincoats, which a pal of his took. The detectives are now looking for the other man, and expect to land him in a few days.

Wardrobe, who is a young man, has a long criminal record, and has spent 44 months in Central Prison on four different charges of arson, theft and house-breaking. He was liberated the last time on the 12th of May, 1912, after serving a 15-month term.

After pleading guilty Tuesday, Wardrobe told the court that he had been trying to do good since being liberated last time.

"I never had much of a chance until the last time I was let out," said Wardrobe. "There I met some men, and after getting drunk, I purchased some cocaine. It was while under the influence of that drug that I committed the burglary. If it had not been for the drug I would not have done it, because I had made up my mind to be good."

After hearing his story, the court recommended the man to jail for a week for sentence.

Death Was Due to Natural Causes

Death from natural causes was the verdict of the coroner's jury which, under the direction of Coroner Dr. MacLaren, investigated the death of Robert R. Richardson, of Dame street, on Monday night. Richardson succumbed to an attack of heart failure while at his work as a blacksmith's helper in the foundry of E. Leonard & Sons Saturday, the 19th inst.

Dr. McWilliams, who conducted the post-mortem examination, assigned the cause of death to palpitation of the heart. No responsibility rested on anyone, according to the jury's verdict.

Police on Trail of Wanted Motorist

The police are hot on the trail of the motorist who struck and demolishing a rig belonging to Mr. A. Thompson on Richmond street Monday night. The rig was hired early in the day by Gordon Lambert to attend a funeral. While returning home, along Richmond street, near the C. P. R. tracks, an automobile struck it from behind, demolishing the rig and causing the horse to run away. Mr. Lambert was thrown out and rendered insensible. When he came to the motorists had disappeared.

From information furnished the police the number of the car has been ascertained, and the Provincial Secretary has been communicated with in an endeavor to learn the identity of the owner.

Headaches and Heart Trouble

NERVOUS PROSTRATION OF THREE YEARS' STANDING CURED A YEAR AGO BY DR. CHASE'S NERVE FOOD.

Anyone who knows the discouragement and despair which accompanies the helplessness of nervous prostration will appreciate the gratitude felt by the writer of this letter.

Mrs. H. C. Jones, Scotch Lake, C. B., writes: "I suffered from nervous prostration for nearly three years. I had frequent headaches, had no appetite, and was troubled with my heart. After consulting two doctors, without obtaining satisfactory results, I began the use of Dr. Chase's Nerve Food, and was completely cured by this treatment. It is nearly a year since I was cured, and I want others to know of this splendid medicine. I now attend to my housework with pleasure and comfort, and am glad to have the opportunity of recommending Dr. Chase's Nerve Food."

At least some benefit is bound to be derived from each dose of this great food cure, as day by day it forms new blood, and builds up the system. 50 cents a box, 6 for \$2.50, all dealers, or Edmondson, Bates & Co., Limited, Toronto.
