

ARCOS' WIN 16--8 OVER PARKDALE PITS THEM AGAINST ESKIMOS

PADDLERS PUT UP GAME SCRAP

Game In Doubt Until The Last Moment of Play.

CONACHER STARS

VARSITY STADIUM, Nov. 26.—The Argonauts won their second game in the R. U. C. championship series this afternoon, when they defeated the Parkdale Canoe Club, champions of the M. R. F. U. by a narrow margin, 16-8. The margin being the same as the Scullers won from Varsity a week ago.

The Argonauts were closely contested and what it lacked in high-class rugby was more than made up by the stubbornness of the back line, the result being in doubt until the last five minutes, when Conacher added two singles by his kicking, giving the Argonauts a margin that could not be overcome by a touch and a convert. The Argonauts fought hard, and in the closing minutes had the best of the play. Douglas tried outside kicks in order to score, but while some were successful, no points were gathered. The slippery nature of the field affected the play of both teams, but Parkdale was the greater sufferer in this respect.

Conacher, That's All.

Conacher was the bright light of the game and there is no doubt that the Argonauts' eighth successive victory was due largely to his playing. He caught almost faultlessly and made many gains, both in running back and in kicking, and on half-back runs. He was fed well by Cochrane and Batstone, but on many plays he was the only player to handle the ball. Breen, Munro and Douglas were the only paddlers who could stop the Argonauts' back line. Breen played well, but he fumbled several times and placed his team in dangerous positions. When he worked the plays well and made several useful gains. Stritt and Wallace were the best ground gainers on the line. Joe Hosen was the best of the losers. He caught, kicked and ran well, and was prominent with his tackling. Star was used as an extra flying wing and turned in a good performance. Brophy outbatted the Argonauts' back line, but he was offside by the way. Conacher sidestepped the Parkdale tacklers and ran the ball back. Douglas lived up to expectations at quarter and tackled well. Bevan and Parknel made a number of runs. The big difference between the two teams was Conacher. He played the best game of the local season.

Parkdale Line Good.

The Parkdale line had a slight shade on the Argos, but the Argonaut halves rounded the Parkdale ends for gains on many occasions. The best runs of the day were made by Conacher and Breen. Parkdale suffered greatly by penalties for offside and interference during the afternoon, but the team easily lived up to the claims of its supporters. Parkdale enters the same class as Varsity, preventing Conacher from crossing the line for a touch.

FLINT, Mich., Nov. 26.—George H. Flint, who resigned the presidency of the Michigan-Ontario Baseball League, to take effect Dec. 1, will manage the Hamilton Club in the circuit. Hamilton is the largest city in the Flint territory and is known for sporting activities of all kinds. In the days of the old Canadian League ten years ago, with a population of 80,000, Hamilton would often draw from 6,000 to 10,000 paid admissions a day, and with 150,000 population now, a new baseball plant and the Flint organization a permanent fixture in the ranks of organized baseball. Flint hopes to put Hamilton on the baseball map, as he did the M. O. League. He has the backing of Al Johnson, a comedian, and Billy Carroll, a Hamilton sportsman, and will have a part ownership in the club.

Oakwoods Easy For Sarnia C. I.---Galt Holds Dundas To 5-5 Tie

BLUE AND WHITES NOW ENTER FINALS

Tunnel Town Lads Piled Up 20 Points and Held Toronto Scoreless.

SARNIA, Nov. 27.—The Oakwood Collegiate rugby team of Toronto was eliminated from the O. R. F. U. interscholastic series in a sudden death game here Saturday afternoon, when the Sarnia Collegiate gridders scored a 29 to 0 victory over the Queen City aggregation.

The local pliskin chasers assumed a seven-point lead in the first quarter, and piled on thirteen more during the remaining three periods, while the visitors, although they threatened several times, were unable to cross the goal line of their opponents. The Sarnia machine worked consistently throughout the game, both on the offensive and defensive, and Hayes' punting was the outstanding feature. The sandy-haired backfield man was responsible for none of Sarnia's points and it was his outside kick that Garvey grabbed in the last quarter and ran over for a touchdown. The work of MacFadden and MacKenzie on the backfield, and Currie, Crow and Saunders on the wings was noteworthy. In fact the entire visiting aggregation played good rugby, but not good enough to equal the game turned in by the Tunnel-towered Sarnians.

The line-up:

Sarnia—Flying wing, Bentley; halves, Corey, Hanna and Hayes; quarter, G. Simpson; snap, Richardson; wings, Pugh, Randolph, Gable, Newton, Mahore, Garvey; spares, Potter, Spears, F. Simpson, Danoune, Robinson, Parks, Oakwood—Flying wing, Saunders; halves, MacFadden, MacKenzie, Abbe; quarter, Dismore; snap, Scott; wings, Currie, Crow, Hugh, Montgomery, Robertson, R. Saunders; spares, Morgan, Yorkie, Wills, Searlet, Maxwell, Coe. Referee—F. Bailey.

FRED WILSON ELECTED PRESIDENT OF M.-O.

Toronto Sporting Editor is Also Secretary-Treasurer — Adopt Split Season For 1922.

[Special To The Advertiser.] SAGINAW, Nov. 27.—Fred Wilson of Toronto, a newspaper sport writer, was elected president and secretary-treasurer of the Michigan-Ontario League at the annual meeting today.

The Canadian members came with the plan of combining the three jobs, and the Michigan members were all set to elect Halligan of the Flint club president and keep Wilson as secretary-treasurer. His salary in the combined jobs will be \$3,000 and expenses.

Walter O. Foss of Bay City was re-elected vice-president. Judge Clements, president of the Saginaw club, was elected to represent the league at the annual meeting of the National Association in Buffalo in December.

The magnates were in executive session from 10 a.m. until late Sunday night. They voted for a split season in 1922.

London was officially awarded the 1921 pennant. Unipires' expenses, so retiring President Maines reported, were \$1,000 less than last year. The president will name a committee to draft the schedule.

Figures submitted at the meeting showed 182,189 persons witnessed league games in Canadian cities during 1921, against 158,983 in Michigan cities.

Alert Squads Work Tonight

Some Additional Candidates Expected for Juniors.

The Alerts will hold their weekly workout tonight at the "Y" gym for both juniors and intermediates. The juniors have been turning out around the 30 mark since they started. A few additional candidates are expected in at tonight's workout.

Last week the squad were taken out for a jaunt through Victoria Park, followed by floor work at the gym, and this procedure will likely be followed again tonight.

Some of the intermediates are working nights at present, and their turnout suffers as a result. However, most of the regulars are in good condition from lacrosse, baseball and basketball, and will not require the hard grilling juniors are in for.

CALDER RE-ELECTED.

MONTREAL, Nov. 27.—After an all-day session today the National Hockey League wound up its annual meeting at the Windsor Hotel with the unanimous re-election of Frank Calder as president. The annual race for hockey championship honors will commence Saturday night, Dec. 17, and continue until March 15.

WORCESTER IS SLEET-BOUND.

Worcester, Mass., Nov. 28.—With streets blocked with fallen branches, so that some sections were impassable, Worcester was practically tied up as far as transportation is concerned today, by a sleet storm.

NAVY BEAT ARMY BY SHEER WEIGHT

Plunge Scores Only Touchdown of Game in Second Quarter.

NEW YORK, Nov. 26.—The Naval Academy eleven today defeated West Point, 7 to 0, in the annual football clash of the service teams. The entire game was carried on in a driving rain and on a field inch-deep in mud. The midshipmen's touchdown came in the second quarter on a series of end runs and short line bucks. The army, but virtue of its star back, French, carried a desperate attack in the fourth period to the navy's eight-yard line, where the soldiers were held.

A gay assemblage of notables, including the secretaries of the army and navy, high naval and army officers, and members of foreign diplomatic corps attended.

Boy! Page Some Southpaws

HERE are all the good left-handed pitchers gone? They seem, for some unaccountable reason, to be a scarce article just now. Just at present the big idea with at least half a dozen major league clubs is the securing of a left-hander who can deliver.

RUTH ASKS \$60,000 FROM YANKS FOR NEXT YEAR

NEW YORK, Nov. 26.—Babe Ruth has asked the owners of New York Yankees to pay him a salary of \$60,000 next season.

And more than this, it is said that Colonel T. H. Huston and Jake Ruppert look favorably on the king of swat's demand. Ruth drew \$30,000 in the season just passed, but if his new request is granted it will be the biggest salary ever drawn by a man connected with baseball.

At present Commissioner Landis is paid \$42,500; Ban Johnson, American league president, gets \$30,000 and Ty Cobb and Tris Speaker are said to draw \$20,000.

President Harding, with \$75,000, tops Ruth's demand for 1922, while the vice-president of the United States gets a salary of \$12,000.

The Yankees made more money last year than any club since organized baseball was launched, and Ruth is said to have been largely responsible. He also brought in many an extra dollar for the Yankees' seven opponents.

MONTREAL MUST BUY IN.

MONTREAL, Nov. 26.—While Montreal seems ready to return to the International, its chance as a rival depends on its ability to buy a franchise. If it league will not oust Reading, as it did Akron a year ago to make a place for the return of a prodigal, and Montreal will have to satisfy Reading's claims, whatever price may be put on them.

The Reading backers, meanwhile seem to be going ahead with 1922 plans as if they mean to stick.

Millie. Lengten Scolded, But Is Forgiven.

PARIS, Nov. 26.—Millie Suzanne Lenglen received qualified approval last night from the council of the French Lawn Tennis Federation of her conduct during her recent tennis matches in the United States. She had repeatedly complained of the approval of the federation since her return from America.

A resolution adopted by the council last night declared that the doctor's certificates showed that ill health must have affected her playing, but "from a sporting point of view" she should not have abandoned her match with Mrs. Molla Bjurstedt Mallory. Further, the council said, upon finding herself unfit to play, she should have returned immediately to France.

The council regretted publication in American newspapers of unfavorable comment on Millie Lenglen's sportsmanship.

VALLEY TOWN MEET HARD OILS NEXT

Free-For-All Fight Ended Game in Galt—Referee Retreats.

GALT, Nov. 27.—Saturday's return game here in the Intermediate O. R. F. U. semi-finals with Dundas carried all the thrills of the great fall sport, and with the score a tie, 5-5, and five minutes to go before time, the match was suddenly terminated by a free-for-all fight started by a Dundas player. Referee Loftus beat a hasty retreat from the field, going downtown and calling the game, while his associate official, C. A. Lewis also of Toronto, not knowing of the decision remained on the field ready to finish the game. Dundas went into the game with a 15-point lead. The Valley Town gridders brought up a couple of hundred fans. The weather was typical for the season, raw and drizzly, and the field was slippery. Their great advantage in weight was a big asset to the visitors, while the Dundas players, who maintain a footing. The players of both teams looked like mud rats.

Dundas Line Strong.

The visitors' line proved their strong point and well it might with several ex-Tierers on it. They not only had the advantage in weight but also in experience. They backed hard, but still could only count a point at a time. Hal Horton was their main booter, while Miles Hobson and Caffery were shining lights of their team. Kress on Galt's half line, Goldie on his following up and Kinsman for his tackling starred for Galt.

Within a minute of the opening of play Dundas counted a kick to the dead line. In the second quarter they added two rouges, and in the third period added two more points.

The locals were outclassed in the first half, but in the second resort to a kicking game and were showing up best. In the third quarter Galt lost a try when Goldie, after dribbling the ball over the visitors' line, lost his footing, and it was kicked out of touch. Although Galt was down a yard off the line, they could not back over.

However, at the opening of the final period they counted a touch when by a quick tackle of a Dundas half against the goal posts the ball was knocked out of his arms, and Webster went over. A heavy mist set over the field at this stage and it was hard to follow play.

With Galt forcing play, Cross was sent into the Galt line, and after making a back he was on next time greeted with a poke in the face by one of the Dundas players, and when about to retaliate three Dundas fans on the line pounced on him, and that started the trouble which ended the game. It was said Referee Loftus was hit by a Dundas player, but he denied that. The Dundas players did not like his decisions and even refused to go off the field, a which ordered to. The referee seemed to lose control of the game in its dying stages.
