# Big Time Football Teams Swing Into Action In Ontario and Quebec Today

Varsity Plays Balmy Beach in First Senior O. R. F. U. Game.

ROWING CLUB IDLE

Canadian Press Despatch Toronto, Oct. 3 .- The big time rugby season in Ontario and Quebec opens tomorrow when the gridiron warriors ste into their place in the sun. From now until snow falls the sturdy chasers after the erratic pigskin will receive the plaudits from their supporters and the bumps from their adversaries, while the school boys, the college boys and the men who like to remember their school boy days will fill up the stadiums.

The Interprovincial league, better known as the Big Four—Hamilton Tigers. Toronto Argonauts, Ottawa Senators and Montreal A. A. A.—opens the schedule at Ottawa and Montreal. The Toronto oarsmen play in the capital while the Bengals meet the Montrealers. The senior series of the Ontario rugby football anion opens in Toronto when the Varsity second team plays the newly organized squad of the Balmy Beach aquatic club. The third team in the series this year, Hamilton rowing club, which won the league championship a year ago, will be idle.

The Intercollegiate league does not start for another week, but two teams of the universities triangle will be in action in exhibition games tomorrow. McGill will measure strength under the American code with the Dartmouth stadents, in Hanover, N.H., and the Varsity old boys in their annual fixture. until snow falls the sturdy chasers after

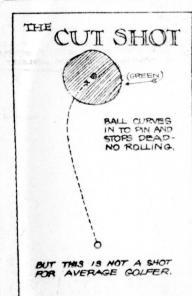

## Scandal Turns American Prexy Against Series

Associated Press Despatch. Chicago, Oct. 3.—President Ban Johnson of the American league to-night wired Clark Griffith, president the Washington club, declining to nd the world's series between New York Glants and Washing-opening in Washington to-

Morrow.

Johnson in his message said the New York Glants should have been disqualified from competing in the series because of alleged bribery attempts involving two club members, and that Brooklyn should have been substituted in the place of the Giants for the series.

How is the cut shot played, and what effect does it have on the action

This is a shot I would advise the average golfer to forget, as it will invariably end in continual bad slicing. In playing this shot, I stand with the right foot slightly advanced and use the same grip as I always do. The backswing is upright, and when I strike at the ball I allow a good deal more of the right shoulder come into the ball than ordinarily. As a result, the ball is given a spinning movement to the right which finally turns its flight that way. One great golfer, when asked how he had Weather was ideal and the crowd layed a certain cut shot, replied, large. "I thought it, just as I hit the ball."
