soon as the conference was over, he would take the earliest opportunity of making the result of it known to Parliament.

THE DAVENPORTS ECLIPSED .- On Monday evening, a seance was formed at Mr. Soday evening, a seance was formed at Mr. So-thern's house, the Cedars, Kensington, for the purpose of exhibiting the rope-tying powers and manifestations of "unknown force" which the distingnished comedian and Mr. Addison, the medium in spite of himself, are able to display. Among the company present were the Marchioness of Downshire, Lady Anna Duff, the Earl of Fife, Lord Hills-borough, Viscount Combermere, Lord Edwin Hill Trevor, Lord Atthur Hill, Colonel Na-pier Stuart, Mr. Tom Taylor, &c. In ad-Hill Trevor, Lord Armur Hill, Colonel Na-pier Stuart, Mr. Tom Taylor, &c. In ad-dition to all the ordinary manifestations of the Davenports, Mr. Addisen and Mr. So-thern were handcuffed and tied up in sacks, and succeeded easily in freeing themselves. Mr. Addison then had his wrists handcuffed and fastened to a ring screwed in the struc-ture. The doors were closed, and on their being re-opened in two minutes he was seen fastened as before, but with his coat off. The same gentleman was, for lack of any more convenient chest, locked up in a corn bin, which was corded outside. In two minutes he was a free man. A dark seance fellowed, in which the spectral touches, the flying in-struments, the marvellous doffing of the coat, and the other phenomena recently exhibited with so much perade, were displayed to the fullest extent. TAWAM ANA WAT

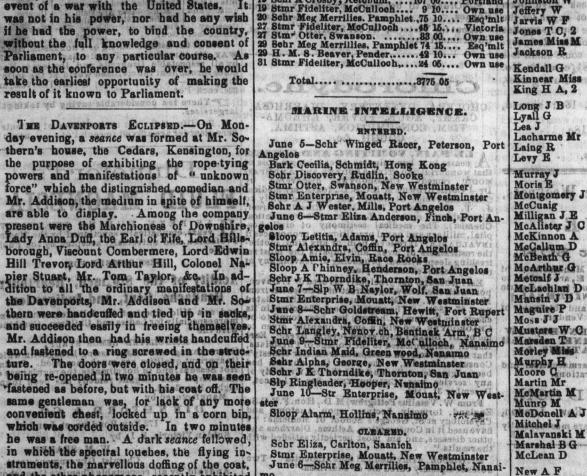

A WORD TO " SMOKERS."-'Tis not our intention to preach a reform against the sociable and growing use of the weed, for it is a luxurious comfort. What gentleman, we ask, old or young, who is addicted to this d habit of enjoying himself behind a good Havana, particularly after a hearty meal, will a dispute us. We speak from experience, for

we often indulge in a good cigar ourselves, but what we suggest is this, try that justly popular, fragrant, convenient and efficaciou Dentifrice, SOZODONT, just the thing after smoking; removes instantly the unpleasant tastes and odors attendant on the use of to-bacco; 'tis refreshingly agreeable, and leaves the mouth cool and sweet.

All Druggists sell it, price 75 cents per bottle. Silks, Woollans Cottons Ribbo
