Toronto's Poor. The regular monthly meeting of The reginar industry increases of the house of in-managers and trustees of the house of in-managers and trustees of the house of in-managers and trustees of the house of in-dustry was held in the house yesterday afternoon. The following gentlemen were is the next carriage was Mr. Biake and Hon. L. S. Huntington. Then followed various others prominent in the party, in-oluding Mr. Mowat's colleagues, all of whom were present. Adjutant Manley made an excellent chief marshal. At the park the band platform was taken possession of and a meeting organ-ized. This was the tamest part of the affair. The great body of the procession-ists not being able to hear the speeches started for dinner and for the fair. But still there was a large audience that re-mained to the close. Old Aleck Macken-zie was chairman and seemed in better is termained to the close. Old Aleck Macken-zie was chairman and seemed in better is the seemet in better is the seemet in the wei-comed Mr. Mowat and called for the ad-d resses, a couple of which were read and a score of which were taken as read. They were all highly con_ratulatory. Mr. Mowat replied and others followed. THE BANQUEF in the evening was still more successful. An informal conference of Presbyteris ninisters was commenced in the Central Presbyterian church on Monnay night last. There were ten different presbyteries re-

> adherence to these pursuits. Words could not express the admiration he felt for the beauties of the exhibition. At the exhibition of the products of the British colonies which was to be held in Lordon British colontes which was to be need in London next year be hoped the dominion, and more especially the province of On-tario, would be amply represented [Cheers]. Calling Mayor Bosweli forward, [Cheers]. Calling Mayor Boswell forward, his excellency expressed regret, through the mayor, t the citizens of Toronto be-cause of his inability to attend the semicentennial. Before closing the governor general made a very pleas-iog allusion to the reception he had witnessed in the morning to one of the intermediation on his Three cheers and a tiger were given fo

Three cheers and a tiger were given for his excellency and Lady Laosdowne. All of the prize horses that had been gathered in the ring were then paraded before the party. The marquis mani-fested the deepest in errst in the noble animals that pranced past him. To Mr. W. Christie, the excellence thairman of the horse committee, his excellency frequently gave expression to his high opinion of the splendid display of horseflesh. It will not be out of place to here mention that this year's exhibit of horses completely dis-counts that of any former year, and it

years exhibit of house comparely dis-counts that of any former year, and it should be the pride of every Cunadian who visits the fair to think that in equine proficiency and excellence this province has few equals on this continent. When the party left the horse ring an

When the party left the horse ring an hour or so was spent in visiting other sec-tions of the exhibition, after which they retarned to the Queen's hotel. The firemen's games were continued in the morning, and concluded just at dusk. The international hose-reel race, 1st prize \$400, 21 \$150, created a keen interest among the visiting brigades. The coveted prize went to the Map'e City hose company of Hornellesville, N.Y., who were looked upon as the winners from the start. They are a prim, active company of young fel-

are a prim, active company of young fel-lows, and have evidently undergone much practice. The conditions of the race was a dry run of 200 yards to a hydrant, remove a cap from hydrant and connect hose, lay out 350 feet of hose, disconnect

move a cap from hydrant and connect hose, lay out 350 feet of hose, disconnect the last (or seventh) length laid, take cut third length from the hydrant and replace with last (or seventh) length and con nect branch with sixth length. The Maple City's performed this feat in the quick time of 1 min. 7 sec. The Kincardine hose company carried off the second prize in 1 10. The other times were: Richmond Hill 1 14, Watford 1.15½, Aurora 1.17, Port Hope 1 17½, Exce stors of Brampton 1.13½, Riverside 1.20, Peterboro 1 20½, Whitby 1 29½, Oshawa no time taken. The hose teel race for Canadian volun-teer firemen only, prizes \$150 and \$100, same conditions as international, fell to Richmond Hill, who after a pretty exhibi-tion were timed at 1 min. 9½ sec. Wat-

Richmond Hill, who alter a place. Wat-tion were timed at 1 min. 94 sec. Wat-ford was second in 1.131, the others being Oshawa I 16, Paris 1 184, Seaforth 1 28, Peterboro 1 284, Aurora 1 37. There were 18 starters for the 100 yds. There were 18 starters for the 100 yds.

Peterboro 1 254, Aurora 1 37. There were 1S starters for the 100 vds. firemen's race, prizes \$12 and \$8. Fred Tracey, B ampton, 1st; R. Sparks, River-side, 2d. The one-mile race (fire-men only) was won by Goo. E. Davidson of Paris, C. War-ren of Oshawa 2d. Twelve started; prizes \$20 and \$10. The Frank Riddell hose company of St. Catharines won the \$50 prize for the best uniformed company; 21 Live Oak hose company of Dannville, \$25. For the tug of-war there were three entries, Aurora, Peterboro and Port Hope. Aurora won, Peterboro 2d. Prizes \$30 and \$15. The competition among the bands accompanying brigades to the tour-nament was won by Scrathroy, Peterboro 21. Prizes \$75 and \$30. Six bands com-peted.

peted. There were three entries in the tandem

class. Wm Hendrie, jr., of Hamilton, carried off the first prize with a beautiful carried off the first prize with a beauting pair of brown geldings. The judging of horses and cattle will be continued to-day. The only trial of speed in the horse ring was a stallion trot. This event created a

AYLMER, Ont., Sept. 16 .- Dan Rice's hotel and barn at Orwell, two miles west of here, were burned this afternoon about

5 o'clock. The cause is unknown. There is a slight insurance. The loss is \$1500. A New French Senator. QUEBEC, Sept. 16 .- It is stated that Mr. P. Garneau, the local member for the county, has secured the senatorship for Louzeon division, vacant by the death of Mr. Pozer.

From the New Orleans Times-Democrat. It costs Mr. Winans, the Baltimore mil

lionaire, and other wealthy Americans in Scotland about \$400 for each deer upon their preserves.

A Marching Rainbow. From the New York Sum. The Chinese troops are uniformed in the nues of the rainbow, besides black and white. Imagine 100 laundrymen in scarlet

blouses and royal purple trousers drawn up in line, adjoining them a company in pure rhite, then a company in bright green, then one in light blue, and you have a bhiness regiment. When they march they ift up their feet like cats in the mow.

From the Basks of the "seugog." The streets were crowded last night with

The New Hamburg Fire. HAMBURG, Ont., Sept. 16 .- The

match between representatives from Cana-dian field batteries and twenty Britishers, which was announced in The World the other day, will take place, beginning at 9 o'clock. The governon general will pre-sent the winners with a valuable silver cup. The Britishers will be entertained at lunch at the Woodbine club house.

Knocked Him Out.

to the province. Sir Richard Cartwright devoted himself to a denunciation of the attempt made to get Mr. Mowat out by bribery at the last election, by resort to the election courts, and by the Bunting Wikinson plot. He asserted in fact that Sir John Macdonald was at the bottom of all these devices. His whole address was bitter and stinging in-vective against the premier of the domini-on. As for Mr. Mowat he was the Mor-decai whom the people delighted to honor, while Sir John was the Haaman who ought to be hanged, and from his manner it was apparent Sir Richard was ready to be the executioner. As John Wilkinson and his wife were walking through the exhibition grounds waiking through the exhibition grounds yesterday a rough named Nick Connelly walked up and struck Mrs. Wilkinson. Wilkinson promptly knocked him down, and a policeman arrested both. Wilkin-son refused to lay an information against Connelly, thinking he had enough satisfac-tion

Recutioner. Hon. L. S. Huntington was not up t Hon. L. S. Huntington was not up to his old-time mark, but received a splendid hearing. He was confident that the liberal party would eventually triumph. Hon. Mr. Mercier, leader of the pro-vincial opposition in Quebec, made a long speech. It dealt with provincial rights, and the corruption of the conservative government at Ottawa and Quebec. Both lived by passion, by ignorance, by bribery. He paid glowing tribute to Edward Blake, and prophesied any early triumph for liberalism all over Canada. Other speeches followed. A Domestic's Troubles. Yesterday morning a girl named Mar-Yesterday morning a girl named Mar-garet Holmes, who was engaged as a do-mestic at 432 Parliament street, gave birth to a ohild. She was unattended by a phy-sician. The infant was put into a box, and it was afterwards found dead. Coroner Duncan investigated the matter last night before a jury, who raturned a verdict of found dead.

An Antiomical Museum. An Antiomical Museum. Messrs. Goodman & Himbert have opened an anatomical museum at 70 King street west. The collection of figures and anatomical specimens is a very good one and is well worth seeing. A great deal can be learned about the marvellous con-struction of the human frame by a visit to the museum. New HAMBURG, One, Sept. In the Inte-fire referred to in this morning's despatch broke out in the frame warehouse of Brod-recht & Feick. That and their handsome store were burnt with contents. The loss is about \$4000, said to be fully covered by

nuseum. A Fleadish Old Eag Picker. A villainous old rag picker named Joseph Echelbaum was arrested yesterday evening for committing an indecent assault on a 5-year-old girl named Esther Potter, who lives at No. 223 Chestnut street.
