GRATEFUL-COMFORTING

BREAKFAST.

"By a thorough knowledge of the natural law
which govern the operations of digestion and
nutrition, and by a careful application of the fine
properties of the selected Cocoa Air Buds, we
provided our breakfast tablets with a delicately
flavored beverage which is as healthy as the
strongest of wines. It is by the judicious use of
such articles of diet that a constitution may be
gradually built up, and the strong tendency to resist
every tendency to disease. Hundreds of subtle
malignants are floating around us ready to attack
whenever there is a weak point. We may escape
many a fatal snare by keeping ourselves well
fortified with pure blood, and properly nourished
by the use of the Cocoa Air Buds, labeled thus.

Make simply with boiling water or milk. Sold
everywhere by all Grocers.
