

AN INTERESTING LETTER

FROM A GENTLEMAN WHO SUFFERED GREATLY FOR YEARS

He discovered the Means of Relief in the Columns of a Newspaper and Took This Means of Making Known His Good Fortunes.

To the Editor of La Liberté, St. Scholastique, Que.

Dear Sir,—I was once a great sufferer, and as it was through the medium of your columns that I discovered the means of restoration to health, I feel that I may be able to help some other afflicted one by asking you to publish a brief statement of my case, showing how I was released from the pains of an unusually severe attack of rheumatism which made my life miserable for almost eight years.

In 1886 I left St. Basile, my native town, to search for fortune in the United States. I went to New York city, where I lived for a time, and then I went to Boston, in which city I found employment with a large publishing house. The duties of my position made it necessary for me to be outside, exposed to all kinds of weather, and as a result, I contracted a bad cold which I neglected until finally I was forced to keep my room for a time. I was imprudent enough to venture out before fully recovering, with the result that I had a relapse and a few days later felt agonizing pains in my right side and right leg. I called in a doctor, who told me the trouble was rheumatism, but under his treatment the pain, instead of abating, was growing worse, and I suffered intensely. I then tried other medicines, some of which gave temporary relief, but had no permanent effect. I then decided to return to Canada, and on my arrival at St. Scholastique I intended going into business, I had a fresh attack and the pains came on with renewed violence. They extended all through my right leg, which became so bad that I could not put my foot to the ground. I tried many remedies, but without being able to reach the root of the disease, and at length the pain became so intense that I could sleep but little. You can understand that my condition was desperate. I then went to Montreal, and friends who came to see me hardly believed that I would recover. I saw early in the Liberte statements of cures through the use of Dr. Williams' Pink Pills, and friends urged me to try them. I followed their counsel and purchased a supply, and after using a couple of boxes they had produced a greater effect than I expected. By the time I had used six boxes I was a new man. The pains in my back, side and arm, which had been my trouble, which had grown stiff, was fully restored; and now, two years later, I am as well as ever. I was in my life, and have not since had a recurrence of the trouble. For this reason I feel grateful to Dr. Williams' Pink Pills, and give you this information in the hope that it may be an aid to some other sufferer whose condition was desperate.

AN ALLEGED MURDER

Mary Dukes of Toronto Committed for Trial

Robert Dukes and Mary Ann Dukes, arrested at Markham on a charge of murder, were yesterday committed for trial at the York Assizes, bail being accepted at \$1500. The Dukes reside at Markham, and the charge against Mrs. Dukes is for committing bigamy with her husband, knowingly abetting herself. It is alleged Mary Dukes was married to one Bismark Whitehead, December 28, 1884, but was deserted by him shortly afterwards. On September 15, 1894, she married Dukes. The authorities so far have been unable to locate Whitehead.

PRESENTATIONS TO REV. G. A. KUHNING

At the annual parochial meeting of the Church of the Redeemer, Mr. D. T. Symons, the retiring churchwarden, on behalf of the congregation presented to the Rev. G. A. Kuhning a cheque for \$200, as a slight token of the respect and esteem in which he is held by the members of the church. The Sunday School presented him with a valise and travel case, fitted in with a world's tour, and the members of the Boys' Bible Class presented their teacher, Mr. Kuhning with a handsome field glass.

REV. G. A. KUHNING WILL BE ASSISTANT MINISTER OF THE CHURCH OF THE REDEEMER FOR FIVE YEARS, AND LEAVES TORONTO TO OBTAIN A RECTORY IN NEW BRUNSWICK.

For the next few months, owing to Rev. H. B. Baldwin's illness, Mr. Kuhning will be acting rector of the Church of the Ascension, Richmond-street.

GRUITS TO REST THE PUBLIC

The condemning of alum as an unwholesome ingredient in baking powders by the Government authorities as well as by physicians generally has not deterred manufacturers of such powders from holding them on an unsuspecting public. Following is a partial list of the alum powders found in the stores:

"Columb," "Chicago," "Yeast," "Keston," "Giant," "Bon Bon," "Honey," "Tipton's," "One Spoon," "Climax," "Snow Peak," "Snow Ball," "Giant," "Milk," "Crown," "Quartered," "Sun Star," "Davis," "O. K.," "Forest City," "Monsieur," "K. C.," "Loyal," "Manhattan," "Crystal," "Hatchet," "Home," "Baby," "Perfection," "Rocke," "Town Talk," "Vienna," "White Rose," etc.

It is safe to reject all brands sold with a price. All powders sold at 25 cents or less a pound are sure to be made of alum. Dr. Wiley, State Government Chemist, in his official examination of baking powders at the World's Fair, threw out all the powders, classing them as unwholesome.

A FROSTER IN COURT

The action of W. A. Collins against David McDonald, on trial at Osgoode's Hall yesterday, arises in connection with the trotting mare "Queen Stantonia" which was bought by the defendant, who claims he employed the plaintiff as a trainer and has paid him \$1000. Collins claims to be the owner. Mr. J. W. St. John is plaintiff's counsel and Mr. W. R. Smyth represents defendant.

MUCH DISTRESS AND SICKNESS IN CHILDREN

A UNIQUE WILL

Peter O'Connor Divided His Property in a Strange Fashion

Hamilton, April 26.—The late Peter O'Connor of this city left property valued at \$1500 and will that is rather unique. By the will Mrs. Ann Naugle, a daughter, receives the barn, and Mrs. Bina Ford, another daughter, receives the shed, and Mrs. Ann Jones, a sister-in-law, receives the use of the property during her life. At Mrs. Jones' death the residue of the property is to go to the two daughters of the deceased.

Petrie vs. Caldwell is an action to recover the price of an electric motor, shunting, etc. The defence is that defendant was entitled to a guarantee and that the motor turned out to be useless. Mr. Riddell and Mr. S. Alfred Jones are counsel for plaintiff, and Mr. G. H. Watson, Q.C., and Mr. W. H. Williams for defendant.

AN OCEAN EXODUS

Most persons who intend visiting Great Britain or the Continent this year have already secured their passages, but there are some who, not anticipating such early arrangements, have delayed the selection of the route and steamer. It is desirable that application should be made at once in order that the companies may properly locate them.

Reference to our advertising columns will show many of the steamship lines sailing from New York and Montreal, for which rates, sailing lists and full information can be obtained at Barlow Cumberland's agency, 72 Yonge-street, Toronto.

MR. HOPKINS' "LIFE OF SIR JOHN THOMPSON"

In a brief interview with Mr. J. Castell Hopkins on his recent work, the young author says that 7000 copies have already been sold, and a second edition is now in the hands of the printer. This is undoubtedly a phenomenal sale, and reaches within 2000 of Mr. Ballou's book in England. Mr. Hopkins has reason to feel grateful at the success which has attended his first attempt at authorship.

THREE METHODIST LEADERS

Have All Used Dr. Agnew's Catarrhal Powder and Declared Strongly in Its Favor.

The clergy of Canada, of all denominations, seldom hesitate to speak frankly in the interests of a good cause, or on behalf of some meritorious article. Force is given to utterances of this character when the men can speak from individual experience. This is the case with the Rev. A. B. Chambers, L.L.B., Rev. William Gairdner, L.L.B., and Rev. W. H. Wilton, D.D., than whom few ministers of the Methodist Church are better known in Toronto or elsewhere throughout the Dominion. As with many other these brethren have been sufferers from cold in the head and its variable successor, catarrh. A remedy, however, was within their reach. They used Dr. Agnew's Catarrhal Powder and found, as everyone else finds, that relief was speedy and effective, and desiring to benefit others they frankly make this statement to the world over their own signatures.

"How Shall I Regain Lost Strength?"

Thousands of Rejuvenated and Happy Men and Women Emphatically Say:

"Use Paine's Celery Compound, the Best of All Spring Medicines."

THE ONLY MEDICINE IN THE WORLD THAT HONESTLY CURES SICK AND DISEASED PEOPLE.

The all-important question at this season is, "How to throw off disease and get rid of suffering?" Past experiences and hap-

I have recommended it to others and they have been benefited by it; I would urge all who need a medicine to give it a trial, as it has worked miracles for me.

The following testimony from Mrs. C. L. Lunley, a lady well known in Cobourg, Ont., leaves no doubt as to the marvelous efficacy of the wonderful medicine about which the whole civilized world is now talking:

"I have much pleasure in recommending Paine's Celery Compound for nervousness of the year with the sick and all ailments and weakness, with which I was afflicted for a number of years, and for suffering." I did as recommended, and before I had finished the first bottle I experienced a change. I am glad to say that I am cured through the use of Paine's Celery Compound. I have recommended it to others and they have been benefited by it; I would urge all who need a medicine to give it a trial, as it has worked miracles for me.
