Nation-wide prohibition is making the proprietors of the famous vineyards of the Lake Erie Islands rich in spite of themselves. The price of grapes produced this year is about 40 per cent. higher than last year, and five or six times as high as the growers obtained a few years ago. The fruit this year is of exceptionally high quality and the yield abundant.

A petition has been circulated among the ratepayers of Alvinston asking for a Government audit of the village books. Several farmers in the vicinity of Thamesville went extensively into the growing of tobacco this year and are now reaping a profitable crop. One farmer states that from four and a half acres he expects to receive between \$3000 and \$4000.

Bible Society Meeting

The annual public meeting in connection with the Watford Branch of the Upper Canada Bible Society will be held in the Congregational Church, Watford, on Thursday evening, Oct. 2nd, at 8 p.m. The Rev. R. J. Bowen, District Secretary, will be present and deliver an address. Everyone is invited. A silver collection will be taken up.

Many do not know the important work the Bible Society is doing and that it is interdenominational in its scope and character. The money secured by the Society is spent largely in printing and distributing the book of all books—the Bible, which is printed in numerous different languages and distributed among all peoples of the world. We owe our very lives and liberty to its influence. Make a point of attending this meeting. You will be highly edified with Mr. Bowen's lecture and report.
