Man is not so furnished, and it is fair to as since that he was intended to eat slow. Igion might be justly criticised from by

The miseries of a poor verbal memory are great. The Rev. Arthur Mursell. of England, says that his father was one of the most powerful and impassioned extempore orators he ever heard, but he had a bad verbal memory, and after working us up with a splendid passage of unprepared and impromptu eloquence, he tried to close the sentence with the text, 'Mercy and truth are met together; righteousness and peace have kissed each other.' But the words escaped his recollection, and he said: Mercy and truth are met together, and—and—and—two similar restances have kissed each attention the his dyspertic who met this strange rebuke.

— About 6000 miles of railroad have deen built in the United States this deen built i the words escaped his recollection, and he said: Mercy and truth are met to gether, and—and—two similar sentences have kissed each other I Bad as the verbal memory may by nature he it is capable of great improvement. We have seen a minister who, until he was fort?, did not dare to quote a verse of Scripture or a verse of poety; when, hearing someone saying that the defect could be removed made it a matter of study, and soon attained the power to quote what he would.—Christian Advocate.

It is appealed to great improvement.

We have seen a minister who, until he was fort?, did not dare to quote a verse of poety; when, hearing someone saying that the defect could be removed made it a matter of study, and soon attained the power to quote what he would.—Christian Advocate.

Menumental in the years to come will be so large as it the years to come will be so large as it the years to come will be so large as it they seen in years past, and the demand for steel rails, now almost exclusively used, will not be equal to the capacity of mills for supplying it. The demand for renewals on old roads, however, is estimated at 1,000,000 tons a year, which is an amount of business not to be despised. Meanwhile, the consumption of iron and steel for other uses must steadily increase.

D. 1883, unless before the Sale the said Defendants pay to said Plaintiff, or into Court, the amount due on 'said Mortgage, together with interest and costs taxed here...

All the Right, Title and Interest which the said William Risteen, Jr., and Catherine, his Wife, the Mortgagors at the time of the Mortgate had, and thereby Mortgaged, of, in, to and out of all that certain piece or parted.

It consign the repair to the most wholesome and excellent this most wholesome and excellent six fond parrints as brought their cherubins and each mother thort she was sure to get the bulge on the rest. 'They couldn't all win.'' 'Stands ter reason, no. Well, would be meat and receive the juices. We cok half a quarter at once. Rub each piece with salt and pepper; place it in the dish and cover tightly. From two to three hours will be required to cook 'So I suppose. Well, we sample out a chirpy little fellow an' put the ticket it thoroughly. Keep a steady fire and a chirpy little fellow an' put the ticket

oven for a half-hour, basting it. Mean. mouse. Say, mister, let's take a drink time the steamer should be placed an' drown the recerlections of such an where the cold will harden the tallow, orful incidence.' Advancing years, care, sickness, disappointment, and hereditary predisposition—all operate to turn the hair gray, and either of them inclines it to shed prematurely. Ayen's Hair Vigor will restore faded or gray, light or red hair to a rich brown or deep black, as may be desired. It softens and cleanses the scalp, giving it a healthy action. It removes and cures dandruff and humors. By its use failing hair is checked, and a new growth will be produced in all cases where the follicles are not destroyed or the glands decayed. Its effects are beautifully shown on brashy, weak, or sickly hair, on which a few applications will produce the gloss and applications will produce the gloss and specific for the carefully taked off. They drowned them.

What we are coming to in the Saminoste Bonner Ling.—Two ladies at a matine:

'O Julia! what a lovely hat Mrs. Brouson has on!' and they gazed semiringly at a hat worn by a lady opposite them, with a figure of a ministrety of vegetables, or simply the addition of peas, meal, flour or cornstance. The fat may be utilized for shortening, put with beef dripping; which must be carefully taked off. They drowned them.

do asparagus: cut fine, boil in water till

being beautiful,

s poured over and stir well.

CORNSTARCH PUDDING. - Mix one cup

starch. The fat may be utilized for applications will produce the gloss and freshuess of youth. Harmless and sure in its results, it is incomparable as a dressing, and is especially valued for the soft lustre and richness of tone it imparts.

Ayea's Hair Vigor is colorless: contains neither oil nor dye; and will not soil or color white cambric; yet tlasts long on the hair, and keeps if fresh and vigorous, imparting an agreeable perfume.

**starch. The fat may be utilized for the soft lustre and richness and sure in the soup. George Eliot in an article on servants, writes thus of soup making: 'You desire soup but you desire it without fat. You are perhaps a genius; the world is in need of your new poem; or you are evolving a momentous theory, and the evolution 'Yea' says has conversion to shortening, put with beef dripping; the too sweet for anything?' 'Yes, isn't it? It is a correct model of her first husband.'

What a beautiful idea to wear him on her hat instead of in her heart, out of sight, as so many do. Oh, look there comes Miss Dunlap! what a horrid stingy-looking hat she has on!'

Yea' says has conversion. it fresh and vigorous, imparting an agreeable perfume.

top and pour over plenty of boiling Do not keep it that vulgar, lowwater, and you will be surprised to see how good it is. If not fond of onions, add an egg well beaten, after the water eye. Keep it a rich delicate olive green.'

Lawrencetown, Nov. 5th, 1883. 1y

SAMUEL LEGG,
Watch and Clock Maker,
BRIDGETOWN, N. S.

The subscriber wishes to inform his friends and the public, that he has resumed business at the Freddy, struggling to keep back his COCOANUT PIE. - One cup of dessicated tears. 'I've been just dying to fall

coanut, one pint of milk, two eggs, down-stairs for this long time and a little salt. Scald the cocoanut in part of the milk to soften, then add the rest, with the eggs, and sugar to taste. Bake in one crust as custard. If the whites of the eggs are left out to frost the pie, it will improve it.

— A sea captain was brought before a justice in Marseills and mercilessly attacked by his opponent's lawyer. When at length he was suffered to speak, he said: 'Your Honor, I ask a blaw of one week in the proceedings, OYSTERS A CURE FOR COUGHS.—I'll delay of one week in the proceedings,
