

Special Notices.

A Real Advantage to the Butter Maker.

Under date of Dec. 8th, 1896, Messrs S. N. Seeds & Son, of Preton, Ont., say: "During the hot weather of last summer a number of our customers troubled with soft butter found that when they used Herbageum for their cows on the grass, the butter was not only hard but better." The following is a brief summary of a letter from Mr. J. C. McKay, of McKay Bros., Georgetown, Ont.: "A thirteen month test with my cow has satisfied me of the value of Herbageum. Previous to its use she would frequently get off her feed, since using it there has been no trouble. We fed her meal with Herbageum when on the grass as well as when stabled. We used daily two quarts of milk and all the cream we required, besides which in the 7 1/2 months, from May 1 to not later than Dec. 15, we made 210 lbs of butter. If all the milk had been used for butter the yield would have been fully 300 lbs. for 230 days, which was fully one-third better than the preceding year—a gain of about 70 lbs. of butter at a cost of \$2.50 for Herbageum, as in the thirteen months we only used 20 lbs., feeding about half a tablespoonful twice daily."

CONSUMPTION CURED.

An old physician, retired from practice, had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma, and all Throat and Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints. Having tested its wonderful curative powers in thousands of cases, and desiring to relieve human suffering, I will send free of charge to all who wish it, this recipe, in German, French or English, with full directions for preparing and using. Sent by mail, by addressing, with stamp, naming this paper.

W. A. NOYES, 820 Powers' Block, Rochester, N. Y.

The Rife Hydraulic Engine Co.,
Utica, N. Y., Sept. 9th, 1895.

DEAR SIR:—In answer to your letter of August 17th I have to say that your No. 25 Ram is placed at my Summer House in Alder Creek and furnishes an abundant supply.

It is doing wonderful work, driving through 900 feet of pipe to an elevation of 130 feet above the ram, with a fall of only 7 1/2 feet.

I am more than pleased.
Yours respectfully,
A. G. BROWER,
Pres't. Utica Water Works Co.

Purest and Best

Price, \$8.00 Dundas Knitting Mach'ne Co.,
Dundas, Ont.

A Weak Back

Is womankind's most common affliction, and especially among our American ladies has this become prevalent to a marked degree. Weak backs are more often the result of female irregularities than from any other cause. To reach the cause, internal not external treatment is necessary.

**DR. CODERRE'S
... RED PILLS**

**- FOR -
PALE AND
WEAK WOMEN**

Act upon the system in such a manner that the patient in a very short time realizes a healthful change, indicated by a sense of increasing strength, the pain in the back subsides, the eye becomes bright, the complexion is restored to a healthy color, and in place of the once hopeless invalid we have a robust being. These results are being accomplished daily.

50c Per Box, or
6 Boxes for \$2.50.

Dr. Coderre's Red Pills
are sold by all druggists.
