

# CYCLING

It has  
a  
**BURNER**

Which spreads the flame, something  
not found in any other cycle lamp,  
and a

**DOUBLE BODY**

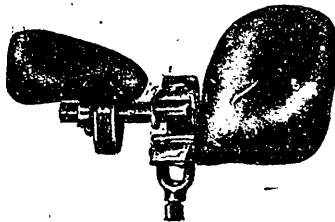

which forms part of a system of  
draughts that cools the lamp, and  
doubles the supply of oxygen, whiten-  
ing the already brilliant flame. *Four  
times the light of any other.*

Cannot Jar Out.  
Not Affected by Wind.  
Burns Any Oil.  
Ground Lens,  
focussed with the reflectors.  
Lights 50 Feet Ahead.  
Burns 12 Hours.  
Riveted Throughout.

Price  
\$4.

## THE Butterfly Seat

PAT. PEND'G.

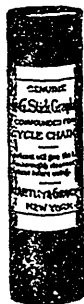

enables the rider to sit as nature intended, being adjustable to  
the anatomy of any form, so that an exact fit can be guaranteed,  
thereby affording ease and comfort. To the ladies who ride, or  
wish to ride a wheel, it is a great blessing. No dividing of skirts  
to mount or dismount, no horn to hinder, harm, annoy or  
injure; can slide off instantly and can mount quickly, as a  
broad, comfortable seat is always ready for its burden. The  
wings of Butterfly rock forward and allow limb to follow pedal  
without least friction. Express prepaid on receipt of price.  
Three styles: Juvenile, \$3.75; Standard, \$4; Old  
Comfort, \$5. Satisfaction assured. Agents wanted. Cata-  
logue on application.
