Show Sermon For Boys.

A Swedish boy fell out of a window and was badly hurt, but with clenched lips, he kept back the cry of pain. The King, Gustavus Adolphus, who saw the boy fall, prophesied: "This boy will one day be an opportunity." And so he did, for he became the famous General Boyer.

A boy used to crush the flowers to get their color and painted the white side of his father's cottage in a yard with all sorts of pictures, which the neighbors found at us very fatal. He was the great artist, Titian.

An old painter watched a little fellow go on and on, half-making drawings of his cat and horses, ezel and stool, and said: "That boy will beat me one day." And he did, for he was Michael Angelo.

A German boy was reading a book and thought he was in the midst of it, and said to himself, "Now, this will never do. I can do much better over it. I can't study it well after it. So here it goes." and he found the book was not the even he was reading, the great German philosopher.
