THE YOUNG MAN or WOMAN

Who holds the Diploma of the Dominion Business College, Toronto, is recognized by the business community as being competent. An official of a leading R.R. Co., Winnipeg, writes: "Have Sanford and Gray report; shall be pleased to file here the applications of any of your graduates to fill vacancies." The business manager of a large mercantile firm, says: "I have always found your graduates competent. I employ several in my office." These are not exceptions, many such letters may be seen in our office.

We invite you to write now for our booklets. They tell an interesting story of how many have bettered their positions in life by taking either the Business, Shorthand, Telegraphy or English courses. Address
