Narrow Escape.
 * * * ROCHESTER, June 1, 1881. "Ten Years ago I was attacked with the most intense and deathly pains in my back and —Kidneys."
 "Extending to the end of my toes and to my brain!
 "Which made me delirious!
 "From agony!!!!
 "It took three men to hold me on my bed at times!
 "The Doctors tried in vain to relieve me, but to no purpose.
 "Morphine and other opiates!
 "Had no effect!
 "After two months I was given up to die!!!!
 "When my wife heard a neighbour tell what Hop Bitters had done for her, she at once got and gave me some. The first dose eased my brain and seemed to go hunting through my system for the pain.
 The second dose eased me so much that I slept two hours, something I had not done for two months. Before I had used five bottles, I was well and at work as hard as any man could, for over three weeks; but I worked too hard for my strength, and taking a hard cold, I was taken with the most acute and painful rheumatism all through my system that ever was known.
 "I called the doctors again, and after several weeks they left me a cripple on crutches for life, as they said. I met a friend and told him my case, and he said Hop Bitters had cured him and would cure me. I looked at him, but he was so earnest I was induced to use them again.
 In less than four weeks I throw away my crutches and went to work lightly and kept on using the bitters for five weeks, until I became as well as any man living, and have been so for six years since.
 It has also cured my wife, who had been sick for years, and has kept her and my children well and healthy with from two to three bottles per year. There is no need to be sick at all if these bitters are used,
J. J. BRAX, Ex-Supervisor.
 "That poor invalid wife, Sister, Mother,
