**My Soul and I.**

BY JOHN IRRIS, TORONTO, CAN.

We are never alone—my soul and I—  
How sweet our communion when none are  
nigh;  
We have known each other for many years,  
Shared oft in our joys, our sorrows, and fears;  
My soul doth aspire to the realms above  
And taught me the sweet secret power of  
Love,  
Till I grow in its likeness day by day,  
As I listen to all my soul doth say:—  
There are pleasures beyond this mundane  
sphere  
That are better than all earth holds most  
dear;  
Set not your affections on things of life—  
Health, wealth, ambition—vain children of  
strife;  
Ah! Soul is immortal—knows not decay,  
But life—like a vapour—fades swift away!

For a long time I suffered with Rheumatism in  
the limbs, and the pain was so bad that I could not even sit  
down. My doctor prescribed a D & L Menthol  
Pill. I tried it, and in a few days I was going about all  
right. I am now well and strong. Sincerely,  
J. H. IRRIS, Toronto, Canada.

**Fully Realized.**

The Investment policies maturing in the North American Life Assurance Company during the current year are giving the same unqualified satisfaction to the holders as the results realized on similar policies in past years. Mr. F. W. Holt, civil engineer, of St. George, N. B., in acknowledging the Company's check under his policy, writes:—

"The cash results of my tontine Endowment Policy, No. 2,380, which I have had the good fortune to hold in your Company, have been highly satisfactory to me, and now that the policy has matured, it is very gratifying to find that all, if not more, of the cash results that were represented to me at the time I insured in the North American Life have been fully realized. This experience, together with the liberal treatment that I have always received from the North American, enables me to recommend the Company to others.

"F. W. HOLT."

"Undoubtedly the North American Life Assurance Company has attained that degree of solidity which can best be understood by comparison with any of the large companies. In all essentials—especially those of acquired surplus and surplus-earning power—it is not excelled to-day by any other company."—Extract from Consulting Actuary's Report, January, 1895.

**Every Bone**

In my body ached with the dreadful Rheumatism which followed a severe cold. My sufferings were awful. I could not dress myself or comb my hair. My husband had to carry me up and down stairs. I was scarcely able to nurse my little one. Within two weeks after I began taking Hood's Sarsaparilla, I felt better. Shortly I was able to walk up and down stairs without help and finally I was cured. My friends thought I was

Mrs. J. Blackburn going to be a cripple, but thanks to God for his blessing on Hood's Sarsaparilla, I now enjoy good health. Mrs. JOHN BLACKBURN, Lower Five Islands, Nova Scotia.
