We remind our friends that there are heavy claims at present on this fund. The work has called for increased circulation, but we expect to realize a full answer to our prayers as to needed supplies.

### “WE PRAISE THEE, O GOD.”

OUR hearts go out in gratitude to God for tokens of His favor vouchsafed us during the past two weeks. Many young men

have been “born again” in our Rooms, and backsliders have been restored. Never since our connection with the Association have we been present at a meeting equal in power and blessing to that held on Tuesday evening. The testimony given by some of the recent saved ones, and the earnest prayers for the manifestation of the power of the Spirit, were truly refreshing. It was difficult to close the meeting, in fact after it had been formally closed once, it opened out anew, and the continuation was a time of blessing. We would not write a word to mislead anyone, and therefore add that while the meetings have, on every occasion, been times of blessing, the attendance has not been what some would call great, but those who have been present have been those we desire to reach.

We have, after seeking Divine guidance, decided to continue the meetings for another week. May it be a week of still greater blessing.

### “STILL ANOTHER VACANCY”

ANOTHER worker has left us. Bro. C. C. Barrick is one who has been a helper to us in many ways. In the work, he has never failed us. In words of cheer and sympathy, he has often helped. In finances for the distribution of *Gospel* literature, he has done much. For more than a year, he has almost daily remarked that he longed to see a definite work for the Salvation of Young Men, and when he met with us (for the last time) on Friday evening, he remarked that it seemed so strange that just as he was witnessing the answer to his prayers he should be called away to another land. He goes forth in response to what he believes to

“Christ is the end of the law for righteousness TO EVERY ONE THAT BELIEVETH.—Rom. x. 4.
