Coffee Topers as Bad as Others.

"A friend who lived with us a short time was a great coffee drinker and a continual sufferer with dyspepsia. He admitted that coffee disagreed with him, but you know how the coffee drinker will hold on to his coffee, even if he knows it causes dyspepsia.

"One day he said POSTUM FOOD COFFEE had been recommended and suggested that he would like to try it. I secured a package and made it strictly according to directions. He was delighted with the new beverage, as was every one of our family. He became very fond of it and in a short time his dyspepsia disappeared. He continued using the POSTUM and in about three months gained twelve pounds.

"My husband is a practising physician and regards Postum as the healthiest of all beverages. He never drinks coffee, but is very fond of Postum. In fact, all of our family are, and we never think of drinking coffee any more."

Written by the wife of a physician of Waterford, Va. Name given by Postum Co., Battle Creek, Mich.
