S. S. LESSON HELPS

FOR 1895.

PELOUBET'S SELECT NOTES.

A Commentary on the Sunday-school Lessons for 1895.

Dr. Peloubet's twenty-one years' collective experience has enabled him to become minutely familiar with just the requirements of such a book, and his unrivalled library and corps of assistants bring to his hand the clearest thoughts of the world's profoundest students.

The first six months completes the Life of Christ studies, and will present in telling language the best thought of eighteen centuries regarding the life, work, and teachings of the Master.

In the latter half of the year the lessons are in the Old Testament, where such exact knowledge and careful instruction is needed in order to adapt to modern life the laws and history of the Israelitish nation.

Sent postpaid on receipt of price.

Motley: Verses Grave and Gay.

By J. W. BENGOUGH, late Editor and Artist of Grip. 106 original illustrations by the Author and other Canadian Artists, \$1.00.
"Mr. Bengough has a delicate touch and a gift of me odious composition, and his pen runs along as smoothly and easantly as a brook."—Hamilton Herald.

Forest, Lake, and Prairie:

Twenty years of frontier life in Western Canada—1842-1862. By JOHN McDOWALL and E. LAUGHLIN

Few men living in the Canadian North have passed through experiences so thrilling and varied as this intrepid missionary. The story is fairly bristled with "moving accidents by sea and land." The illustrations are very cleverly done, and an original design from the artist adds a striking appearance to the cover.
