The highest point reached by any railroad is 16,646 feet over the Andes. 853 gross of Esterbrook's pens would stretch the distance.

Canada is being visited by Count Andrassy, ex-Chancellor of Austria, Dr. Meyer, his physician, and Mr. Bateman, of London, and other Englishmen, desirous of taking a look at the North-West, which seems to be more noised about in Europe than the older Provinces of the Dominion.

Montreal, Dec. 5.—A most diabolical attempt was made to blow up the City Court House by an infernal machine, which was wound up like a clock, and contained about 10 pounds of dynamite. The matter has been kept very quiet, in order to give the police a chance of ferreting out the perpetrators. The machine is in the police station, and is a very complete piece of mechanism, made of zinc.

An Ottawa despatch says:—Since the announcement has been made that the Princess Louise is certain to return to Canada with her husband, there has been a great demand for furnished houses and lodgings for the winter. Several applications for furnished houses have come from wealthy American families, who anticipate a gay season at the Canadian capital during the coming winter.

Private letters and public advices from Manitoba are to the effect that small and large fortunes have been made by speculating in building lots. A Fredricton paper gives a sample, when it says that "Mr. John McInnis, formerly Principal of the Park Barracks School, has met with good luck. He recently disposed of a lot, which he had purchased at a low figure, for the sum of \$30,000. It was a sand lot, and being of excellent quality for building purposes had become of great value."

The Dominion revenue is still on the increase. The new and enlarged factories have not been able to supply the increased demand and the result is importation. The increase for last month amounted to about \$400,000, and for the first five months of the fiscal year now ended, the increase has been 1,730,524. At this rate the surplus for the current year will be about \$8,000,000. The Government will be able to meet all obligations for which loans were formerly made, and may pay off some of the bonded debt.

Those languid, tiresome sensations, causing you to feel scarcely able to be on your feet, that constant drain that is taken from your system all its elasticity; driving the bloom from your cheeks; that continual strain upon your vital forces, rendering you irritable and fretful, can easily be removed by the use of that marvelous remedy, Hop Bitters. Irregularities and obstructions of your system are relieved at once, while the special cause of periodical pain is permanently removed. Will you heed this? Cincinnati Saturday Night.

ONE EXPERIENCE FROM MANY.

"I had been sick and miserable so long and had caused my husband so much trouble and expense, no one seemed to know what ailed me, that I was completely disheartened and discouraged. In this frame of mind I got a bottle of Hop Bitters and I used them unknown to my family. I soon began to improve and gained so fast that my husband and family thought it strange and unnatural, but when I told them what had helped me, they said 'Hurrah for Hop Bitters! long may they prosper, for they have made mother well and us happy.'—The Mother. —Home Journal.
