BIBLIOTHEQUE NATIONALE

The World's Greatest Remedy of all Remedies

THE GREATEST DISCOVERY OF ALL DISCOVERIES
OF THIS CENTURY.

Life and Health is the first and greatest concern to every human being. Medical science put to shame in comparison with this remedy. What does medical science do? Can it be said that it positively cures Asthma, Bronchitis, Blood Poisoning, Catarrh, Cancer, Croup, CHOLERA, Colds, Consumption, Dyspepsia, Diphtheria, Dysentery, Inflammation, Diarrhœa, Eczema, Erysipelas, Fevers, Indigestion, Kidney and Liver Troubles, Malaria, Piles, Rheumatism, Neuralgia, Etc., Etc.? If so, then why are people all around us dying, and thousands lingering and suffering from these diseases, who are being treated by so-called medical science without receiving any relief?

Microbe Killer cures all these diseases, saves lives, and cures chronic cases where all other treatment fails, which no one need no longer doubt. It is beyond all question. Past experience proves it, and thousands testify to it. We can furnish the strongest evidence to those who are sceptical and will investigate what this remedy is doing. Pamphlets with testimonials free on application.
